Mr. Hatsell acquaints us y<sup>t</sup>: y<sup>e</sup>: renters had a promise of protection at their first coming but tis not to be supposed to have been intended a Protection against their own Prince but against their Enimyes.

If you make a practice of such Protections, you cannot expect to live in peeice w<sup>th</sup>: y<sup>e</sup>: Govern<sup>t</sup>: but they will be allways makeing demands of their serv<sup>ts</sup>: and Debtors and obstruct your businesse. Therefore if Rama Raja dos persist in his demands you may fairly enough tell y<sup>m</sup>: y<sup>t</sup>: at their first coming you promised to secure y<sup>m</sup>: from y<sup>e</sup>: Moors, but now, they being Gone, & Rama Raja Demanding their Acco<sup>ts</sup>: they must render Acco<sup>ts</sup>: to their Prince, w<sup>ch</sup>: you doe not understand nor can undertake to determine, is It then very probable y<sup>t</sup>: they will of

themselves contrive wayes for their own security & Escape & free you from quarrelling w<sup>th</sup>: Rama Raja in their behalfe, w<sup>ch</sup>: If you should once engage in, & should at last be forced to dd: y<sup>m</sup>: up, y<sup>t</sup>: would be dishonourable as you write, Therefore order y<sup>m</sup>: to repair forthwith to their respective habitations and write Rama Raja y<sup>t</sup>: when his Enimyes made Incurtions into those parts you protected his subjects who fled to you for security of their persons but the enimyes being gone, you have ordered them to goe home & y<sup>t</sup>: you have received orders for so doing.

However you doe well to consider yo<sup>r</sup>: own security by strength[en]ing those parts w<sup>ch</sup>: are most likely to be attacked, you have now a good supply of stores wee will suddingly send some men by boats w<sup>th</sup>: Necessary Commissions for Officers and the steel w<sup>ch</sup>: was before omitted.

To Mr. JOHN HAYNES 2<sup>p</sup>: & c<sup>a</sup>:

COUNCILL ATT FORT ST. DAVID.

Since our last of y<sup>e</sup>: 30<sup>th</sup>: wee rec<sup>d</sup>: yo<sup>r</sup>s: of y<sup>e</sup>: 28<sup>th</sup> w<sup>th</sup>: 104 Bales, our Merch<sup>ts</sup>: offer to pay into the R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>a</sup>: Cash at Fort St. David Pag<sup>ds</sup>: 1300: w<sup>ch</sup>: you are to receive and draw bills upon us for the same, payable to Timapa & c<sup>a</sup>: Company of Merchants.

Wee have rec<sup>d</sup>: yo<sup>r</sup>s: of 6<sup>th</sup>: Ins<sup>t</sup>: by y<sup>e</sup>: Wellfare & y<sup>e</sup>: Invoice and bill of Ladeing for bales 104 & 2 chests of Indigo & hope you will have an oppertunity to send us more bales time enough for ladeing on y<sup>e</sup>: Berkly Castle w<sup>ch</sup>: wee intend God willing to dispatch on y<sup>e</sup>: 25<sup>th</sup>: or 27<sup>th</sup>: Ins<sup>t</sup>: therefore send us yo<sup>r</sup>: Advices to y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>a</sup>: Generall Books Coppys of Acco<sup>ts</sup>: & Consultations w<sup>ch</sup>: will be ready by y<sup>t</sup>: time.

Wee have rec<sup>d</sup>: yo<sup>r</sup>s: of 7<sup>th</sup>: Ins<sup>t</sup>: as to y<sup>e</sup>: Morattas it is probable y<sup>t</sup>: they will emprove all oppertunity of Quarrilling with you when freed from their enemy y<sup>t</sup>: they may have some pretence to obstruct yo<sup>r</sup>: businesse & force money from you for clearing it, and this has been y<sup>e</sup>: Constant practice of y<sup>e</sup>: Countrey Govern<sup>t</sup>: & is y<sup>e</sup>: reason why wee are not to Give y<sup>m</sup>: just occasion, as wee shall doe by harbouring & protecting y<sup>e</sup>: Duans servants & Debtors against their Masters demands. If a servant & Debtor to y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>a</sup>: should run away from us & shelter himselfe under y<sup>e</sup>: protection of Countrey Gov<sup>r</sup>: wee then should thinke it very hard y<sup>t</sup>: they should detain & protect him, & bid us come to their Court and make our demands, Have wee more reason or Authority to detain & protect Rama Rajas Servants & Debtors and bid him send his Attornys into our Courts & prove his demands & wee will doe him justice. By w<sup>th</sup>: Authority doe wee pretend to sett up Courts of Justice in his Countrey to deside Causes & Acco<sup>ts</sup>: depending between him & y<sup>e</sup>: farmers of his revenues, but if you doe erect such Court doe any of you understand how to adjust & give a true judgment in such matters, or if you did it is rationable to thinke y<sup>t</sup>: Rama Raja. will not submit to your Judgement if it be given against him it is not our businesse or interest to assume or aime at such a jurisdiction & Dominion over Princesse, It is enough for us if wee can protect & governe our own servants, Merch<sup>ts</sup>: & Inhabitants, who thô they are originally his subjects yet are 'by vertue of our Cowle become ours & wee must clame & maintain our right to protect y<sup>m</sup>: & so long as he permits us to enjoy y<sup>t</sup>: wee may very well allow him to Governe his owne servants & Subjects whome wee are not concerned w<sup>th</sup>: our maine designe is trade w<sup>ch</sup>: cannot be managed within our own bounds wee must be obliged to Rama Raja for permitting our Merch<sup>ts</sup>: to buy Cloth for y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>a</sup>: out of our wall & therefore it is our interest to keep peeice w<sup>th</sup>: him as long as wee can, you have a Garrison to defend you when he invards [*sic*] you y<sup>n</sup>: will be yo<sup>r</sup>: time to bring y<sup>m</sup>: into better manners, But there is no occasion to invite him or provoke him to invade you for the sake of y<sup>e</sup>: Renters, for you cannot by their assistance or your own forces carry on a trade in his Countrey whether he will or no, If you thinke you can, pray lett us know it, and we will consider further thereof it.

You say y<sup>e</sup>: Renters were promised protection from all unjust pretences Mr. Hatsell says they were promised protection from Rama Rajas Enimys who were y<sup>n</sup>: overrunning those parts w<sup>ch</sup>: was just & Hon<sup>ble</sup>: but if you mean y<sup>e</sup>: unjust pretences of Rama Raja, y<sup>e</sup>: question still returns, how can you understand or determine Rama Rajas Pretences upon y<sup>m</sup>: are just or no, you add, y<sup>t</sup>: these Rent<sup>rs</sup>: will build a wall & be further usefull, But would not a warr w<sup>th</sup>: Rama Raja be more prejudicial & will you give him an occasion when you are senceible he is lakeing one.

You doe well to advise us y<sup>r</sup>: intelligence or apprehensions of y<sup>e</sup>: Morattas or French designes Goe on w<sup>th</sup>: Repairing your Fortifications and keep yourselves in a Posture of Defence, If you apprehend any dainger of Invasion, Tho wee hope the French ships will not trouble you there being 10 Dutch ships at Ballasore & a Fleet at Zealon to watch their motions.

You express yourselves very wittily and sharply about y<sup>e</sup>: Timbers sent you hence y<sup>t</sup>: they seem to be old refuse of many years standing in Madrass, They never were ashoare in Madrass, but rec<sup>d</sup>: and bought in the boat y<sup>t</sup>: brot them, and they being but of 12 or 15 foot long were not designed to make beams of 21 foot long w<sup>ch</sup>: are intended to be sent you as soon as wee can gett a conveyance, the Countrey boats cannot take y<sup>m</sup>: in, & these were thought a good Pennyworth, Considering y<sup>e</sup>: Freight &c<sup>a</sup>: Charges saved, & wee know not how to send you any so cheape, tis true they are old Maddapollam Timbers, but the better for use, and those of 15 foot long if not rotten worth about 4 Pago<sup>ds</sup>: in Madrasse w<sup>ch</sup>: makes amends for the rest, wee are.

peace with all men and Give strict orders to my Servants that noe stranger suffer any abuse in my Govern<sup>t</sup>: under the Colour of Merch<sup>ts</sup>: and Buzarmen I understand there have come severall people into this town of late because all adjacent parts are troubled with Armyes and soldiers sometimes those that belong to Arsuma Nague and sometimes those that belong to Rama Raja and when they are afraid they come hither, I dont know nor consider who they are, and while they live quietly and peaceably all strangers are alike wellcome, being not concerned in any warr and if anybody makes a disturbance hereabouts, I dont care for their company, and therefore many days agoe gave strict order never to suffer Gopall Naranda to returne hither, who it seems came in privately and went out againe, and has made a nois in the Countrey, y<sup>t</sup>: I have not the good fortune to know you but my servants all tell me y<sup>t</sup>: you are a very wise man and doe very well understand all this Countrey, you know our customs and manner of living that wee always give a free liberty for all men to come and goe and buy and sell as they please and dont inquier who they are and whence they come and whether they goe, and how can I act otherwise, If you were in my place what would you doe, Pray give me your advice and Continue our old freindship for this place and to mee.

Their Hon<sup>rs</sup>: & c<sup>s</sup>: doe take notice of two Errors in Mr. Bloome viz<sup>t</sup>: Engroseing the trade to himsele and Setting to high a price on Coast Goods w<sup>ch</sup>: made y<sup>e</sup>: Natives chuse rather to carry their pepper to y<sup>e</sup> Dutch, these two things be sure to observe & remedy by letting all persons that desire it have w<sup>th</sup>: liberty of trade y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>s</sup>: have allowed, & sett not above 50 per cent Profit on Coast Goods w<sup>ch</sup>: being duely observed must needs draw y<sup>e</sup>: trade of pepper more to you & lower the price thereof, & wee hope noe private interest will sett up against this Publique Good.

8. Wee requier you to be very frugall in all sorts of your expences both in y<sup>e</sup>: Garrison and otherwise, for it is a vast expence and all out of Pockett whilst the warr in Europe hinders y<sup>e</sup>: trade y<sup>t</sup>: should bear it, & allso wee recommend to yo<sup>r</sup>: great care the diligent promoteing and raising y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>s</sup>: revenues in all things reasonable that may be lade without prejudice to the Good of the place, and the Commissary hopes you will so effectually performe it y<sup>t</sup>: he may find nothing at his Coming thither to add to itt.

14. If any of y<sup>m</sup>: prove troublesome & Quarrellsome or if you find you have to many, send them to Fort St George, (in Irons if you see cause) either by the Comp<sup>as</sup>: or private shipping, and if any private ship refuses to take y<sup>m</sup>: in or a Convenient number, for two Pago<sup>ds</sup>: a head you furnishing their Provisions and water lett y<sup>m</sup>: have noe Pepper, not trade w<sup>th</sup>: you nor on the West Coast of Sumatra and advise us thereof.

17. The R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>a</sup>: doe allow y<sup>e</sup>: private ships to trade in pepper & to buy it at your ports paying a halfe Penny per pound towards their Charges Garrison &c<sup>a</sup>: but there are two things to be considered 1<sup>st</sup>: y<sup>t</sup>: you have not y<sup>e</sup>: liberty of Gratifying yo<sup>r</sup>: freinds as you please w<sup>th</sup>: Pepper out of y<sup>e</sup>: Comp<sup>as</sup>: stores, to y<sup>e</sup>: prejudice of their own occasions, and never but in case of an overplush of pepper or necessity of money for Charges &c<sup>a</sup>: as wee suppose y<sup>t</sup>: was y<sup>e</sup>: occasion w<sup>n</sup>: you furnished Cap<sup>t</sup>: Howell in the Diamond w<sup>th</sup>: a large quantity. But rather supply y<sup>e</sup>: Private ships w<sup>th</sup>: Pepper by assisting y<sup>m</sup>: to procure it w<sup>th</sup>: their own stock. 2<sup>d</sup>. Not to furnish any private ship w<sup>th</sup>: y<sup>e</sup>: Comp<sup>as</sup>: stores of pepper at so low rate as y<sup>t</sup>: y<sup>e</sup>: Comp<sup>a</sup>: should loose their charges Merchandize Wast & Interest w<sup>ch</sup>: they may very well allow to pay (besides y<sup>e</sup>: halfe Penny per pound) for the Convenience of a supply & dispatch.

18. Make your Fortifications as strong as you can, & in Generall lett all buildings be made of Good Materials & dureable.

19. Lodgeings for the R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>as</sup>: Servants & y<sup>e</sup>: soldiers & slaves convenient & of sufficeint defence against the weather, the Ground floor to be raised 3 or 4 foot w<sup>th</sup>: Corall rock fitted up w<sup>th</sup>: sand well washed & dried & lay a floor of bricks upon it, w<sup>th</sup>: Chinam for wee have heard y<sup>t</sup>: way has done much good in such unhealthy places.

20. Godowns large enough to contain 500 or 1000 Tons Pepper divided by parti[t]ion Walls into severall Godowns to be made all of brick & Tarrast & y<sup>e</sup>: sides of y<sup>e</sup>: walls well bound by timbers of about 70 foot long & double as in y<sup>e</sup>: Margint placed in y<sup>e</sup>: North East Corner of Godown compound to run along y<sup>e</sup>: river side & y<sup>t</sup>: end next y<sup>e</sup>: town lett be strong enough to bear 2 or 3 small Gunns, w<sup>ch</sup>: will both command the river & y<sup>e</sup>: Town.

21. The cover of all your buildings to be Tarrast & y<sup>t</sup>: it may y<sup>e</sup>: better carry of Great rains w<sup>th</sup>: out receiveing damage lett it be a little raised in y<sup>e</sup>: middle so as to cause a descent to each side of about  $\frac{1}{4}$  Inch for every foot.

22. Mr. Sowden built an upper story for his own Lodgeing on a building w<sup>ch</sup>: was at first not intended to be built higher, and above y<sup>t</sup>: has built another room. Its very probable y<sup>e</sup>: foundation y<sup>t</sup>: was designed at 1<sup>st</sup>: for one room only will not bear two superstructures If so you had better pull down the upper room then hazard the whole building.

23. If the Ditch w<sup>ch</sup>: Mr Bloome began be not deep Enough for draining y<sup>e</sup>: swamp, lett it be cutt deeper and at y<sup>e</sup>: outlett into y<sup>e</sup>: River, lett a sluice be made to lett up and downe, to Cofmand y<sup>e</sup>: Passage of y<sup>e</sup>: Water from the Great river in

the time of y<sup>e</sup>: Freshes or Great Raines or consider whether the currant of y<sup>e</sup>: Water may not more conveniently bee turned to run from the river thro' the Ditch to be continued round the Fort Hill into the Sea. If that be feasible the Entrance of y<sup>e</sup>: Water from the River into the Ditch must be governed by a sluice just w<sup>th</sup>: out w<sup>ch</sup>: drive stakes pretty near one to another y<sup>t</sup>: y<sup>e</sup>: Water may drain thro' them and no Rubbish or nastinesse enter into y<sup>e</sup>: Ditch & at y<sup>e</sup>: end of y<sup>e</sup>: Ditch to y<sup>e</sup>: Sea y<sup>e</sup>: outlet of y<sup>e</sup>: Water must be governed by a sluice without such greater y<sup>t</sup>: if any Rubbish goes in from y<sup>e</sup>: River it may Passe freely out. But before you undertake it you must consider well & be assured y<sup>t</sup>: y<sup>e</sup>: Seashore is not higher then y<sup>e</sup>: Swamp & consider whether a Ditch may not be cut on y<sup>t</sup>: side of y<sup>e</sup>: swamp w<sup>ch</sup>: is towards y<sup>e</sup>: great Hill to convey y<sup>e</sup>: Water y<sup>t</sup>: falls from it into y<sup>e</sup>: River and so prevent its running into the Swamp.

24. Herewith wee send you y<sup>e</sup>: bonds of Robert Henderson & David Davis for serveing y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>a</sup>: as Writers for 5 years, & y<sup>e</sup>: bond of Gilhis Mina for serving as a Mallay & Java Linguist for 4 years or in any other businesse at 10 Dollars per Mencim he is to take place next to y<sup>e</sup>: Factors & to eat at the Generall Table and If he prove serviceable as a Linguist is to be treated in such manner as to have some respect among y<sup>e</sup>: Mallays. 25. The R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>a</sup>: have often recomended the Encouragem<sup>t</sup>: of y<sup>e</sup>: Chines to settle at Bencoolen the most likely Instrument to promote Building planting Manufactoris and trade & If any of y<sup>m</sup>: are come among you lett them have Ground to build on and that their Buildings range the more regularly and all stand at a convenient distance from y<sup>e</sup>: Fort, lay out the streets and divisions by Lines and greatify them in all their reasonable requests.

26. If Hoggs are offensive to the Malays lett them be kept in Compounds to prevent their running into the Malay Town.

27. Among the soldiers, Willis who came out a Serjant from England pretends to be a Carpenter & therefore wee have sent him, tho otherwise not so fitt for your place being troublesome w<sup>a</sup>: in Drinke he has promised Reformation & if he proves sober, make use of his Carpenters art as you have occasion, but if he proves troublesome return him to us. The rest have all behaved themselves soberly here, and wee have chosen them for that reason. There is also John Cooper & John Heady bred a joyner & Gardener, Young men who may be usefull in their trades. Edward Tayler has a Comission of Ensigne & is to be continued such so long as he continues sober & dilligent.

28. Wee hear Mr Fleetwood has learned something of the Malay Language, Hee would doe well to Cause it to be discoursed att y<sup>e</sup>: Generall Table wherein y<sup>e</sup>: Linguist will be of use & may promote the Teaching of that usefull Language to y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Companys servants.

TO MR. PHILIP NODEN ATT NARSAPORE.

By yo<sup>r</sup>: last letter to us as by yo<sup>r</sup>: Peticuler letters to others Wee perceive y<sup>t</sup>: you have no inclination to remove from those parts, & therefore make use of the excuse of the vain pretences & promise of y<sup>e</sup>: Avaldars of Metchlepatam &c<sup>a</sup>: for procuring of a Phirmaund from y<sup>e</sup>: King for our settling a trade upon better terms then formerly, whereas you know very well y<sup>t</sup>: a Phirmaund is not to be obtained without great court charges & y<sup>t</sup>: those Avaldars will not disburse y<sup>e</sup>: money for us & if they gett only y<sup>e</sup>: Suba of Golconda his Perwanna twill be of noe other use then to draw us into a snare for if wee settle upon a Perwanna, y<sup>e</sup>: next Suba will force us to pay him well for his confirmation or revoke it at Pleasure. Therefore pray dont concern yo<sup>r</sup>: selfe, any further in such vain attempts. But Endeavour what you can to bring away y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>as</sup>: remains in both Factorys by the first oppertunity, but it being probable y<sup>t</sup>: they will not permitt you, you may sell of y<sup>e</sup>: Brimstone &c<sup>a</sup>: Goods at such rates as y<sup>e</sup>: Markett Price will afford though it should be lesse then formerly & by one means or other contrive to gett y<sup>e</sup>: Musters both of Maddapollam & Metchlepatam into yo<sup>r</sup>: hands privately & either send y<sup>m</sup>: hither, or if you have Oppertunity send y<sup>m</sup>: to y<sup>e</sup>: Cheife of Vizagapatam & if y<sup>e</sup>: Avaldar will not permitt y<sup>e</sup>: bringing away of y<sup>e</sup>: Household Goods &c<sup>a</sup>: leave y<sup>e</sup>: Keys & list of goods in there hands & come away, & if they will not receive y<sup>e</sup>: Keys & list, however come away & leave y<sup>e</sup>: Keys & list how you please.

If y<sup>e</sup>: money in yo<sup>r</sup>: hands bee not sufficient to defray charges of Boat hire y<sup>e</sup>: produce of y<sup>e</sup>: Goods will doe it.

As wee wrote you plainly before soe wee repeat our order positively y<sup>t</sup>: you come away w<sup>th</sup>: yo<sup>r</sup>: family & if you shall refuse to comply w<sup>th</sup>: our order & shall hereafter run yourselfe into any inconvenience or trouble by staying you cannot expect y<sup>t</sup>: it will be in our power to assist or relieve you, wee are

D<sup>r</sup>: BROWN.

I have Rec<sup>d</sup>: yours of the 6<sup>th</sup>: Instant by your man who brings this, I communicated yo<sup>r</sup>: Letter to His Excell<sup>y</sup>: who do[th] well approve [of] your Endeavours for the Comp<sup>as</sup>: service, and by his order returne you this answer, that your Acquaintance with such a man as M<sup>r</sup>: Potuliet may be very usefull, and therefore Encrease it so far as to lay foundation of continuing a Correspondence when you are here by Letters. He cannot procure a Phirmaund which is given only by the Mogull himselfe but tis Possible he may procure the Princes Neshaun for the carrying on of our business, according to Sallabad, in the Kingdom of Golconda and Bengall, or so far as his Dominions which would be of great use to us, especially if itt could be obtained without money, & in such a Private way as you Intimate therefore if M<sup>r</sup>: Potuliet will undertake it, encourage him to proceed in itt, & whether he will or no, his service shall be gratefully rewarded one way or other. But the most probable time \* of obtaining it seems to be upon delivering the Present which we shall bee obliged to make the Prince upon his Comeing and continuëing in these parts, and indeed itt is not usuall for Princes to grant their Neshauns without money agreed for, or a Present to their satisfaction. Therefore pray obtaine of M<sup>r</sup>: Potuliet a List of things Proper for a Present, and hasten to us as fast as you can, have a care of trusting to far to faire promises.

I enjoy good health & hope to hear y<sup>e</sup>: same from you. FORT ST: GEORGE Y<sup>r</sup>: 19<sup>th</sup> JUNE 1693.

To M<sup>r</sup>: SIMON HOLCOMBE CHEIFE & C<sup>a</sup>:

COUNCILL FOR AFFAIRS OF Y<sup>r</sup>: R<sup>t</sup>: Hon<sup>ble</sup>:

ENGLISH EAST INDIA COMP<sup>a</sup>: ATT VIZAGAPATAM.

The Cheife & third M<sup>r</sup>: Holcombe & M<sup>r</sup>: Owen haveing been long detained here by y<sup>e</sup>: examination of y<sup>e</sup>: ffrauds committed in yo<sup>r</sup>: ffactory by M<sup>r</sup>: Dubois & C<sup>a</sup>: do now take their passage on Ship Saphir Jacob de Grave Mast<sup>r</sup>: on w<sup>ch</sup>: we have laden pag<sup>ds</sup>: Rup<sup>a</sup>: & Stores to y<sup>e</sup>: am<sup>o</sup>: of pag<sup>ds</sup>: 7191 as by y<sup>e</sup>: Inv<sup>o</sup>: & bill of Ladeing herew<sup>th</sup>: deliver'd.

Wee send y<sup>o</sup>: money to enable you to make a contract for Callicoos to be brought in by y<sup>e</sup>: 20 Xb<sup>r</sup>: next to help to fill up some Ships of y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>as</sup>: w<sup>ch</sup>: wee expect will be here by y<sup>t</sup>: time but if you can perswade your Merch<sup>ts</sup>: to contract for one half or one third to be brought in, by August or 7ber twill be better because tis probable there may be occasion for't then.

Wee leave it to you to contract for as large a summe as you can well knowing y<sup>t</sup>: they can't furnish more y<sup>n</sup>: Wee shall want however let it not be less than 15000 pag<sup>ds</sup>: otherwise yo<sup>r</sup>: Investment will hardly bear y<sup>e</sup>: charge of yo<sup>r</sup>: Factory.

Wee now send you but 7000 pag<sup>ds</sup>: but you may depend upon a further supply as you shall require by yo<sup>r</sup>: next advices w<sup>ch</sup>: send to us overland as soon as you have made yo<sup>r</sup>: contract.

Upon yo<sup>r</sup>: arrivall advise us y<sup>e</sup>: state of yo<sup>r</sup>: acco<sup>t</sup>: w<sup>th</sup>: y<sup>e</sup>: sev<sup>ll</sup>: Comp<sup>as</sup>: of Merch<sup>ts</sup>: how many bales are already brought in & what prospect you have of tneir further compliyanse as well w<sup>th</sup>: a New as their old contract & repeat such advices to us as often as opportunity offers y<sup>t</sup>: we may y<sup>e</sup>: better know how farr to depend on their P<sup>er</sup>formance.

Adjust acco<sup>ts</sup>: w<sup>th</sup>: y<sup>e</sup>: Moor Merch<sup>ts</sup>: as soon as you can, w<sup>ch</sup>: probably will be more easily effected before y<sup>n</sup>: after makeing a new contract, for we do not thinke it convenient either w<sup>th</sup>: y<sup>e</sup>: former method, nor w<sup>th</sup>: y<sup>e</sup>: P<sup>re</sup>sent state of affairs y<sup>t</sup>: you make any further contract w<sup>th</sup>: them, & when they find themselves left out perhaps [they] will be disgusted & give you more trouble about their acco<sup>ts</sup>: y<sup>n</sup>: while they are in expectation of employm<sup>t</sup>: as we have formerly advised M<sup>r</sup>: Barwell (in y<sup>t</sup>: Cheifs absence) & ordered him to gett in as much of their debt as he could w<sup>ch</sup>: Wee hope he has done so farr y<sup>t</sup>: there will be nothing due from them to y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>a</sup>: more y<sup>n</sup>: y<sup>e</sup>: am<sup>o</sup>: of y<sup>e</sup>: bond y<sup>t</sup>: M<sup>r</sup>: Dubois gave them for pag<sup>s</sup>: 1530 & is since paid by him here into y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>as</sup>: Cash so y<sup>t</sup>: they must have credit for y<sup>e</sup>: same viz<sup>t</sup>: such p<sup>t</sup>: thereof as M<sup>r</sup>: Dubois own'd to be their due pa: 800 & for y<sup>e</sup>: remaining [part] 730 pa<sup>s</sup>: w<sup>ch</sup>: he alledgeth to have been allow'd him as Cheife by y<sup>e</sup>: Merch<sup>ts</sup>: out of money p<sup>d</sup>: them on an Investm<sup>t</sup>: [therefore] it belongs to y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>a</sup>: and must be made good by them, if you can perswade them to it, & if you can't prevail w<sup>th</sup>: them by reason, you must not use any fforce w<sup>th</sup>: them, for being Moors they'll apply themselves to y<sup>e</sup>: Governm<sup>t</sup>: & give you more trouble y<sup>n</sup>: y<sup>e</sup>: money is worth but rather let their debt stand upon yo<sup>r</sup>: books till some better opportunity presents.

The old Merch<sup>ts</sup>: debt is very doubtfull they being reported so poor y<sup>t</sup>: their estates will not pay a quart<sup>r</sup>: part, & not having a Stocke of their owne they can never bring in goods unless a Stock be advanced to them, to revive their credit in y<sup>e</sup>: Countrey; they having already failed so grosely y<sup>t</sup>: tis a question whether it be safe to trust them w<sup>th</sup>: more; but wee must leave it to yo<sup>r</sup>: discretion whether to advance 1000 or 2000 pa: a year to them if you find it probable y<sup>t</sup>: you may thereby gett in their debt by degrees.

If you find y<sup>t</sup>: Budde Narain & C<sup>a</sup>: P<sup>er</sup>forme well you may make them y<sup>e</sup>: Cheife Merch<sup>ts</sup>: joining w<sup>th</sup>: them some of y<sup>e</sup>: ablest of yo<sup>r</sup>: old Merch<sup>ts</sup>: w<sup>th</sup>:

whome you may make yo<sup>r</sup>: contract in y<sup>e</sup>: usuall way, & for y<sup>e</sup>: enlargem<sup>t</sup> of yo<sup>r</sup>: Investm<sup>t</sup>: you may also bargain w<sup>th</sup>: some of y<sup>e</sup>: ablest of yo<sup>r</sup>: Moor Merch<sup>ts</sup>: that what L Cloth & Sallampores they'll bring in by a Time limited agreeable to y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>as</sup>: Must<sup>rs</sup>: you'l pay them upon delivery of y<sup>e</sup>: Cloth from 5 to 10  $\Psi$  Cent (as you can agree) advance on y<sup>e</sup>: stated prices, w<sup>ch</sup>: offer you may also make to y<sup>e</sup>: Madapollam Merch<sup>ts</sup>: or any others; & for such cloth remaining after sorting you may buy of them, for such [prizes] as you can bargain for.

Wee perceive y<sup>e</sup>: Seer Laschar has been very earnest of late for y<sup>e</sup>: present w<sup>ch</sup>: has formerly been used to be given upon change of Seer Laschar's & Cheifs. It has been put off; for sev<sup>ll</sup>: years & tis best to deferr it still so long as you can because of y<sup>e</sup>: frequent change of Seer Laschars, for if you present y<sup>e</sup>: & he be suddainly removed his Successor will demand y<sup>e</sup>: same especially if you have an Investm<sup>t</sup>: going on. But if upon y<sup>e</sup>: Cheifs arrivall he does demand & urge it you may present him to y<sup>e</sup> am<sup>o</sup>: of pa: [*lacuna in the original*] in pa: or Rup<sup>s</sup>: for we can't furnish you w<sup>th</sup>: Scarlett or Raritys only 2 Chests Rosewater 2 Ch<sup>ts</sup>: Persia Wine 4 Ch<sup>ts</sup>: of Fruit w<sup>ch</sup>: go w<sup>th</sup>: you for y<sup>t</sup>: purpose.

And w<sup>n</sup>: you send y<sup>e</sup> present twill be a convenient time to treat w<sup>th</sup>: him concerning y<sup>e</sup> renting of Vizagapatam w<sup>th</sup>: enlarg'd priviledges for w<sup>ch</sup>: purpose if you see cause you may send M<sup>r</sup> Barwell w<sup>th</sup>: y<sup>e</sup>: Present.

The last gen<sup>ll</sup>: books of Vizagapatam y<sup>t</sup> we have are letter Hending April 1691 continue those of Letter I to August 1692 & lett them be ballanc'd by y<sup>e</sup> reall remains then taken & lett them be finished as soon as you can & sent to us y<sup>t</sup>: they may be brought into Fort St: George Books [*lacuna in the original*] w<sup>ch</sup>: are omitted in yo<sup>r</sup>: acco<sup>t</sup>: curr<sup>nt</sup>:

Send us Copies of yo<sup>r</sup> consultations & Diaries & monthly acco<sup>t</sup>: Cash & charges as opportunity offers.

Herew<sup>th</sup>: is an acco<sup>t</sup>: signed by M<sup>r</sup>: Focquett & M<sup>r</sup>: Owen of their disbursements for y<sup>e</sup> Time they kept a separate Factory in Vizagapatam w<sup>th</sup>: our notes thereupon in Consultation y<sup>e</sup>: 16 Ins<sup>t</sup>: whereby there's pa: 277: 10: 3 & Rup<sup>s</sup> 178 $\frac{3}{4}$  allowed & pa: 234: 5: [1] remaining to be further examined but y<sup>t</sup>: you may not keep yo<sup>r</sup>: books open till y<sup>t</sup>: be done give M<sup>r</sup> Owen credit for what is allowed & lett y<sup>e</sup> ball of his Warehouse acco<sup>t</sup>: be carried into y<sup>r</sup> next bookes.

This morning Wee are informed y<sup>t</sup> : last night M<sup>r</sup> : John Evans Minister & M<sup>r</sup> : W<sup>m</sup> : Thompson Factor did privately convey themselves out of towne & from S<sup>t</sup> : Thoma went aboard ship S<sup>t</sup> : Marck rideing in our road belonging to Armenians whereof y<sup>e</sup> : Supra Cargoe & part Owner is Ignatio Marco & Sam<sup>l</sup> : Rickson Pilott bound for Bengall & Persia & upon their comeing aboard y<sup>e</sup> : Ship sett saile in y<sup>e</sup> : night.

M<sup>r</sup> : Evans has desired leave to go to Bengall & twas never denyed him but his Excell<sup>ty</sup> only took upon him to performe y<sup>e</sup> : R<sup>t</sup> : Hon<sup>ble</sup> : Comp<sup>s</sup> : orders in

India relating to freemen & to M<sup>r</sup>: Evans in particular in order to a gen<sup>l</sup>: regula<sup>n</sup> there being time enough for a passage into Bengall a month hence: M<sup>r</sup>: Thompson had made applica<sup>n</sup> for leave to go to Persia in order to his passage for Europe y<sup>t</sup>: way & was deny'd but w<sup>th</sup>: all had leave granted him to go on y<sup>e</sup>: Berkley Castle, he has requested to be discharg'd y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>as</sup>: Service but was never & he still stands under y<sup>e</sup>: obliga<sup>n</sup> of his Indentures.

These Persons haveing given us just reason as well by their former carriage in Bengall & here as by their private running away to suspect y<sup>t</sup>: their going to Bengall is to prosecute some ill designs to y<sup>e</sup>: prejudice of y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>as</sup>: trade there y<sup>e</sup>: publick interest of y<sup>e</sup>: Na<sup>n</sup> & y<sup>e</sup>: disturbance of y<sup>e</sup>: English Factory at Chutanutte you must therefore cause them both if they come to your Factory to be there detained unless they can produce to a sufficient authority for their coming thither untill his Excell<sup>y</sup>: Commissary shall arrive or send his order or if y<sup>e</sup>: come to your hands before y<sup>e</sup>: S<sup>t</sup>: Marck arrives order y<sup>e</sup>: Cap<sup>t</sup>: of y<sup>e</sup>: Europe ships to send their Boats aboard her when she comes up y<sup>e</sup>: River w<sup>th</sup>: a sufficient force to bring them out of y<sup>e</sup>: ship into yo<sup>r</sup>: Factory if they escape you at their first coming use your utmost diligence to gett them into your possession to prevent y<sup>e</sup>: mischiefs w<sup>ch</sup>: wee justly suspect. Wee are

On Monday y<sup>e</sup>: day appointed for y<sup>e</sup>: dispatch of y<sup>e</sup>: Saphir neither Mr. Holcombe nor Mr Alvarez had finished y<sup>e</sup>: ladeing of their goods for Bengall & Vizagapatam on Tuesday wee dd y<sup>e</sup>: Vizagapatam Packett to Mr Holcombe & y<sup>e</sup>: Bengall to y<sup>e</sup>: Master of y<sup>e</sup>: Ship w<sup>th</sup>: his dispatch but in y<sup>e</sup>: afternoon 100 sticks reddwood were sent ashore to make room for y<sup>e</sup>: goods belonging to y<sup>e</sup>: Gentlemen of Vizagapatam & Mr. De Costa who goes as Mr Alvarez Factor was y<sup>e</sup>: same day taken ill y<sup>t</sup>: twas doubtfull till y<sup>e</sup>: morning whether he could proceed or no and just as they were going off wee were informed y<sup>t</sup>: Mr John Evans & Mr W: Thompson went privately last night to St. Thoma & from thence aboard y<sup>e</sup>: Armenian ship St Marck w<sup>ch</sup>: sail'd in y<sup>e</sup>: night as soon as they came aboard Wee thereupon agreed to write to y<sup>e</sup>: Agent & c<sup>a</sup>: to gett them into y<sup>e</sup>: Factory & keep them there till your Ex<sup>as</sup>: arrivall justly suspecting y<sup>e</sup>: busie Politick Padre goes upon ill designs to y<sup>e</sup>: prejudice of y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>as</sup>: affairs he left a letter behind him directed to your Exc<sup>o</sup>: & c<sup>a</sup>: w<sup>ch</sup>: wee opened supposing Wee might thereby learne something of his design & comes herew<sup>th</sup>: the Armenians are highly culpable & Cap<sup>t</sup>: Rickson no less whom y<sup>e</sup>: President sent for 4 or 5 days agoe & gave him a strict order y<sup>t</sup>: no passengers should go on y<sup>e</sup>: ship w<sup>th</sup>:out our leave but in what manner y<sup>e</sup>: act is to be resented Wee refer to yo<sup>r</sup>: Exc<sup>o</sup>: Wee will take all y<sup>e</sup>: care Wee can y<sup>t</sup>: Cap<sup>t</sup>: Freke do not go hence before y<sup>e</sup>: Lead comes.

The Gold Chain & Paddy sold by Mr: Thomas Yale to Mr Hatsell is not in y<sup>e</sup>: action entred against him & y<sup>e</sup>: Judge saith y<sup>t</sup>: may be best laid in action by itself sometime before y<sup>e</sup>: other is finished.

The 5 fan<sup>s</sup>: rec<sup>d</sup>: w<sup>th</sup>: yo<sup>r</sup>: Exc<sup>y</sup>: of y<sup>e</sup>: 24 Wee dd to y<sup>e</sup>: Assay Master y<sup>e</sup>: report whereof Wee shall send by y<sup>e</sup>: next.

Our last of y<sup>e</sup>: 23 Ins<sup>t</sup>: advised y<sup>e</sup>: departure of y<sup>e</sup>: Saphir since w<sup>ch</sup>: none from yo<sup>r</sup>: Exc<sup>y</sup>:

Inclosed is y<sup>e</sup>: Assay Masters report of y<sup>e</sup>: Fort St. Davids fannams w<sup>ch</sup>: yo<sup>r</sup>: Excell<sup>cy</sup> sent w<sup>th</sup>: yours of y<sup>e</sup>: 24<sup>th</sup>: Ins<sup>t</sup>: to be assayed & they hold out 4 matt.

Here's reports y<sup>t</sup>: Bawder chan is comeing from y<sup>e</sup>: Mogull to be Gov<sup>r</sup>: of y<sup>e</sup>: Countrey & I hear y<sup>t</sup>: Alle Merdun Chans son is also comeing into these parts with an Army & Mahomad Ally Beague w<sup>th</sup>: him who was formerly Nabob & was entertained here when routed by y<sup>e</sup>: Morattaes & y<sup>t</sup>: Assud Caune is confined to a fort & y<sup>t</sup>: Assum Tara has y<sup>e</sup>: Mogulls order to secure Zulphaker Caun but Wee know not what credit to give to such reports for want of good intelligence from y<sup>e</sup>: Camp w<sup>ch</sup>: wee think is very necessary at y<sup>e</sup>: time & therefore pray yo<sup>r</sup>: Excell<sup>cy</sup> leave to send some able Braminy to remain at y<sup>e</sup>: Camp privately, at an allowance of four or 5 pa: per month to enable him y<sup>e</sup>: better to gett intelligence & 4 or 5 Peons to go constantly between y<sup>e</sup>: place & y<sup>t</sup>: to carry & bring Letters by w<sup>ch</sup>: means Wee may gain a more timely & certain knowledge of many things y<sup>t</sup>: will be a good direction in y<sup>e</sup>: managem<sup>t</sup>: of a treaty for a Phirm<sup>d</sup>: if your Excell<sup>cy</sup> shall think fitt to proceed therein.

Since writeing y<sup>e</sup>: foregoing Wee rec<sup>d</sup>: yo<sup>r</sup>: Exc<sup>y</sup>: 27 & are glad y<sup>e</sup>: Fort St. David Merch<sup>ts</sup>: promise so fair since ours are so backward y<sup>t</sup>: thô they promised to come to us on Monday both on y<sup>t</sup>: day & y<sup>e</sup>: they failed & suppose they do await yo<sup>r</sup>: Exc<sup>y</sup>: returne.

Mr. Chapman is gone to Vizagapatam but w<sup>th</sup>: out security w<sup>ch</sup>: was demanded of him but could procure none.

Wee know no necessity of Mr. Cuthberts returne hither w<sup>th</sup>: respect to y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>as</sup>: business.

Since your Excell<sup>cy</sup> has good reason to think Alle Merdun Chan will be sett att liberty Wee think 't may not be remiss to express some more then ordinary civility to his Brother in Law residing here for y<sup>e</sup>: managem<sup>t</sup>: of Allemerdun Chan's business 't being very probable he'll [be] reinstated in a very considerable employ in y<sup>e</sup>: Countrey.

Wee hear no report of any English ships more y<sup>n</sup>: a Flying report before yo<sup>r</sup>: Exc<sup>y</sup>: went.

Azum Tarra Bux Prince has sent a Letter in his name by two Jassoots for buying Persia Fruit & rarities y<sup>e</sup>: list of w<sup>ch</sup>: is sent to Coja Gregoria & his Doct<sup>r</sup>: has also written on y<sup>e</sup>: same subject advising to assist & offering his service to whome Wee shall have occasion to apply.

FOR AFFAIRS OF Y<sup>e</sup>: R<sup>r</sup>: HON<sup>ble</sup>: ENGLISH

EAST INDIA COMPANY IN INDIA.

May it please yo<sup>r</sup>: Exc<sup>y</sup>:

Our last was y<sup>e</sup>: 30 past y<sup>i</sup>: day Wee rec<sup>d</sup>: yo<sup>r</sup>: Exc<sup>y</sup>: of y<sup>e</sup>: 28 past w<sup>th</sup>: Coppy of y<sup>e</sup>: gen<sup>l</sup>: to y<sup>e</sup>: R<sup>r</sup>: Hon<sup>ble</sup>: Comp<sup>s</sup>: per Berkley Castle from Fort St. David dated 26 June 1693 & a letter & translate from y<sup>e</sup>: Gov<sup>r</sup>: of Trincumbarr to yo<sup>r</sup>: Excell w<sup>th</sup>: a seal'd Letter to Cap<sup>t</sup>: Freke.

After y<sup>e</sup>: Box of Letters to be sent per Berkley Castle was nailed up there was sent in a few Letters to y<sup>e</sup>: Sec<sup>y</sup>: w<sup>ch</sup>: y<sup>e</sup>: President ordered him to make up in a Packett & put y<sup>e</sup>: Comp<sup>s</sup>: Seal on it & dd w<sup>th</sup>: y<sup>e</sup>: Box to y<sup>e</sup>: Purser after y<sup>e</sup>: Box and all was sent off Mr. Thomas Yale sent him a Letter w<sup>ch</sup>: he thinking he ought to put y<sup>e</sup>: Seal on it, did so, & sent it off w<sup>th</sup>: a Catamaran but y<sup>e</sup>: ship sailing too soon y<sup>e</sup>: Letter was brought back & tis probable Mr. Yale did afterwards send y<sup>e</sup>: same by Peon after y<sup>e</sup>: ship under covert to Mr. Biggs.

By Arum Tarra's order his Buxie Motakio Chan sent an Husbullhookum for assisting their servants in disposing of Shauls 6000 sent hither to be sold for y<sup>e</sup>: buying Elephants & another to assist other Serv<sup>ts</sup>: in procuring Persia Fruits & Rarities translate of both comes inclosed y<sup>e</sup>: Shauls are brought into Towne but not  $\frac{1}{2}$  part of them can find a Markett here & it falls under yo<sup>r</sup>: Exc<sup>y</sup>: considera<sup>con</sup> whether such part of them as are not sold but carryed out againe should pay Land Custume Jutta da Chan to whom they belong is y<sup>e</sup>: Man who took Rama Rajas elder Brother & thereby obtain'd great favour at Court. As for y<sup>e</sup>: Persia Fruit & Rarities demanded they are prescribed by y<sup>e</sup>: Princes Doctor Johannes Potuliet who has wrote also to Sen<sup>r</sup>: Gregory & sent him y<sup>e</sup>: list w<sup>th</sup>: bills of Exchange for money to pay for them y<sup>e</sup>: whole list of fruit & Rarities will not cost 250 pag<sup>ds</sup>: but there's another Broad Cloth fine Callicoos & Silks w<sup>ch</sup>: will cost about 1000 pa<sup>s</sup>: if yo<sup>r</sup>: Excell shall think fitt to make any Present to Arum Tarra y<sup>e</sup>: would be a good opportunity to do it cheaper & more acceptable then at another time if Wee should present him w<sup>th</sup>: y<sup>e</sup>: things demanded & returne y<sup>e</sup>: money sent to buy them & if yo<sup>r</sup>: Exc<sup>y</sup>: shall approve thereof Wee will be preparing to gett y<sup>e</sup>: things ready against yo<sup>r</sup>: Exc<sup>y</sup>: returne But there's one great argument against y<sup>e</sup>: spending much money viz: y<sup>e</sup>: uncertainty of his continuance in these parts on y<sup>e</sup>: other hand if he continues twill cost us more he'll certainly expect to receive some acknowledgement from us, whether hee stays or no & if Wee altogether fail wee make him our Enemy & create in him a resentment w<sup>ch</sup>: may hereafter turn to a greater prejudice then may be foreseen he being in y<sup>e</sup>: same capacity w<sup>th</sup>: y<sup>e</sup>: rest of his Brethren for y<sup>e</sup>: Succession in w<sup>ch</sup>: respect it seems necessary at least to gratifie him: w<sup>th</sup>: a present of Persia Fruit & Rarities before he be furnished by other hands but Wee refer all to yo<sup>r</sup>: Excell direction.

Upon y<sup>e</sup>: coming away of y<sup>e</sup>: Hackney in her passage from Fort St. David hither Wee wrote to Zulphaker Chan for his order for y<sup>e</sup>: delivery of y<sup>e</sup>: ship & goods detained by y<sup>e</sup>: Avaldar w<sup>ch</sup>: he hath sent us & at Mr. Chardins request & charge (who's only concerned in y<sup>e</sup>: goods) Wee are sending y<sup>e</sup>: same to demand y<sup>e</sup>: goods.

Inclosed is Coppy of y<sup>e</sup>: days Consulta<sup>con</sup> relateing to Cap<sup>t</sup>: Freke & a Letter to y<sup>e</sup>: Gov<sup>r</sup>: of Trinkumbar signed by us & as yo<sup>r</sup>: Exc<sup>y</sup>: directed Wee perceive Cap<sup>t</sup>: Freke is not free to tell us whether he intended to carry his ship in Bengall wee asked him whether to Chuttanuttee or Hügeley he answered to y<sup>e</sup>: place w<sup>ch</sup>: is best for repairing his ship y<sup>e</sup>: Gov<sup>r</sup>: of Trincumbars Letter to Cap<sup>t</sup>: Freke w<sup>ch</sup>: he shewed us says, I hope y<sup>t</sup>: yo<sup>r</sup>: troubles will be at an end & y<sup>t</sup>: you'll soon proceed on your voyage to Bengall Therefore Cap<sup>t</sup>: Freke had either disowned a Bengall voyage or writt to him since & tis not impossible he may be under some contract w<sup>th</sup>: them for freighting goods for y<sup>e</sup>: Danes account from Bengall from whence they are wholly supply'd by y<sup>e</sup>: help of other na<sup>cons</sup> being themselves in warr & who knows how such a man as Cap<sup>t</sup>: Freke may

behave himself in Bengall & whether if an opportunity offer he may not turn interloper & lade his ship directly home w<sup>th</sup> : y<sup>e</sup> : stock of such as may be willing to adventure Wee suggest these things to yo<sup>r</sup> : Excell : y<sup>t</sup> : if yo<sup>r</sup> : Excell : should be detained longer at Fort St. David y<sup>n</sup> : y<sup>e</sup> : season will allow y<sup>e</sup> : Sam<sup>l</sup> : to stay if she proceed to Bengall Wee may receive yo<sup>r</sup> : Excell : directions in what manner Cap<sup>t</sup> : Freke may be restrained from committing any extravagant actions there to y<sup>e</sup> : prejudice of y<sup>e</sup> : R<sup>t</sup> : Hon<sup>ble</sup> : Comp<sup>as</sup> : affairs for we justly fear he'll not submit unto y<sup>e</sup> : direction of y<sup>e</sup> : Agent & Counc<sup>l</sup> : Wee are

TO JOHANNES POTULIET  
PHYSITIAN TO PRINCE ARUM TARRA.

I rec<sup>d</sup> : your kind Letter by y<sup>e</sup> : Goorsburgars you sent hither to provide rarities for y<sup>e</sup> : Prince who now returns w<sup>th</sup> : w<sup>t</sup> : y<sup>e</sup> : place affords having ordered Coja Gregoria to whome you wrote to use all diligence in procureing them w<sup>ch</sup> : I hope has done to yo<sup>r</sup> : satisfacti<sup>on</sup> there came but very little Persia Fruit y<sup>e</sup> : year y<sup>e</sup> : greatest part was bought up by Moors & Persians before yo<sup>r</sup> : Messengers came you are famous & happy in y<sup>e</sup> : favour of so great a Prince w<sup>ch</sup> : gives you an opportunity of doing services for y<sup>e</sup> : European Na<sup>t</sup>ions who have been misrepresented to his Majesty as Robbers & Pyrates because some ships have of late years come out of Europe into y<sup>e</sup> : Indian Seas & have committed sev<sup>n</sup> : Pyracies upon all sorts of ships they meet w<sup>th</sup> : without distinction of nations tis too well knowne y<sup>t</sup> : when they meet w<sup>th</sup> : any of y<sup>e</sup> : English or Dutch Companys ships whome they can overcome they do not spare them more y<sup>n</sup> : y<sup>e</sup> : ships of India but all na<sup>t</sup>ions fare alike when they fall into their power They are a sort of People who forsaking all human society & defying all laws divine & humane do make warr against mankind & like savage Beasts live by Prey & you know y<sup>t</sup> : by y<sup>e</sup> : Laws of y<sup>e</sup> : Kingdom & States of Europe they are treated as such being ordained to Death & all men are as much bound to destroy them (as Nature teaches by instinct to destroy wild Beasts & venomous creatures) whenever an opportunity offers by y<sup>e</sup> : Law of Nations y<sup>t</sup> : Prince whose subjects have suffered by Piracy cannot demand satisfaction from y<sup>t</sup> : Prince whose subjects have committed it because y<sup>e</sup> : Offenders dont only act without y<sup>e</sup> : consent & authority but against y<sup>e</sup> : Laws of his Prince & tis not in y<sup>e</sup> : Power of any Prince to restrain them otherwise then by forbidding them under penalty of Death Tis not therefore to be imputed to y<sup>e</sup> : Europe Nations as a fault if from any part of Europe there comes a ship w<sup>th</sup> : a mixt number of French, English, Danes, Dutch, Portugueeze & Spaniards, &c<sup>a</sup> : into these parts of y<sup>e</sup> : World [to] prey upon y<sup>e</sup> : ships belonging to y<sup>e</sup> : subjects of Indian Princes & make use of what Colours they please to choose but tis to be accounted a great misfortune y<sup>t</sup> : these things have not been truly represented to y<sup>e</sup> : Emperor who doubtless is informed y<sup>t</sup> : these Pyrates do belong to y<sup>e</sup> : Europe Companys who trade hither & hath thereupon given forth an Husbullhookum to Surratte & Bengall forbidding all Hati People to trade but I heare y<sup>e</sup> : Gov<sup>r</sup> : of Surratte & Nabob of Bengall have wrote to y<sup>e</sup> : King & till they receive his further order forbear to hinder trade Doubtless if y<sup>e</sup> : King were rightly informed he would rather prohibitt all his Subjects throughout his Empire from trading with or entertaining of any ships in his Majesties Ports w<sup>ch</sup> : do not belong to y<sup>e</sup> : Europe Companyes & w<sup>ch</sup> : are not owned by their Cheifs & have their passe otherwise his Majesties Subjects may entertain Pyrates instead of Merch<sup>ts</sup> : but if those Pyriticall ships had no countenance nor Assistance in his Majesties Ports how can they subsist in India You are a wise man & understand these things well I dont write to inform you only

put you in mind of an important affair wherein you may gain yourself a reputa<sup>o</sup>n by being y<sup>e</sup>: instrument of a publick good.

I do earnestly desire yo<sup>r</sup>: freindship to Doct<sup>r</sup>: Browne & hasten him to his Family who wants him he went only to cure one of Cossim Cauns Servants but it seems Cossim Caune has carryed him into y<sup>e</sup>: Countrey I cannot spare him longer being a sickly time here.

The 5 fann<sup>r</sup>: you sent as per our Assay Masters report holds out but 4 matt Wee suppose them to be coyned by our Madrass Minters & therefore they have committed an error in y<sup>e</sup>: coyning or y<sup>e</sup>: Assay Master in assaying y<sup>t</sup>: Wee may be y<sup>e</sup>: better satisfied, send us 5 more w<sup>ch</sup>: were coyned at y<sup>e</sup>: same time; for a second tryall; upon finishing whereof wee shall soon send you a determination relating to Rama Linga & Moota Chitty. Our present thoughts are y<sup>t</sup>: if you find y<sup>e</sup>: silver fan<sup>s</sup>: pass currently in y<sup>e</sup>: Countrey tis more advantagious to coin them & lay aside y<sup>e</sup>: Gold quite; concerning which pray give us your opinion.

The Cheif Merch<sup>ts</sup>: & Cheif Dubash have been sick for 3 or 4 days w<sup>ch</sup>: is y<sup>e</sup>: reason y<sup>t</sup>: wee have not yet concluded y<sup>e</sup>: contract w<sup>th</sup>: y<sup>e</sup>: Merch<sup>ts</sup>: & is y<sup>e</sup>: excuse alleadged for not waiting on your Excell<sup>t</sup> at yo<sup>r</sup>: departure.

DEP<sup>ty</sup>: GOV<sup>r</sup>: & C<sup>ts</sup>: COUNCILL ATT FORT ST. DAVID.

Our last was 1 inst<sup>t</sup>: Wee have rec<sup>d</sup>: yours of y<sup>e</sup>: 10<sup>th</sup>: Since Acco<sup>ts</sup>: & Bargains in your parts are ge<sup>ssly</sup> made in Chuckrums consisting of 10 great fannams tis not expedient to lay aside y<sup>e</sup>: coine of great fann<sup>s</sup>: but if they could be conveniently coined instead of Gold 'twould doubtless be a considerable advantage to y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Company & would in time pass more currently y<sup>n</sup>: y<sup>e</sup>: Fort St. George fannams whereof you have made an experiment consider of it & give us yo<sup>r</sup>: advice y<sup>t</sup>: wee may either resolve here or refer it to y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Company.

Wee have 2 Watchmen in Madrass neither of whom would quit y<sup>s</sup>: for your place they have for severall years been contending for a right to y<sup>e</sup>: watching of y<sup>s</sup>: & sev<sup>ll</sup>: other towns adjacent y<sup>e</sup>: contrav<sup>rsy</sup> is not yet adjusted nor will be in a long time y<sup>t</sup>: w<sup>ch</sup>: makes it difficult to determine is y<sup>e</sup>: affinity & Interest each of them have w<sup>th</sup>: y<sup>e</sup>: neighbouring Polligars w<sup>ch</sup>: w<sup>th</sup>: y<sup>e</sup>: graduall increase of y<sup>e</sup>: Revenue from a small to a very considerable yearly income has for sev<sup>ll</sup>: years past made our Watchmen stout & troublesome & upon every occasion stand upon high terms w<sup>th</sup>: y<sup>e</sup>: Government from whence it may be observ<sup>d</sup> y<sup>t</sup>: y<sup>e</sup>: affinity & Interest of your Watchmen tho' tmay upon some occasions be serviceable when his will inclined yet makes him y<sup>e</sup>: more proud & troublesome whenever he shall bee crossed in his humour & for y<sup>e</sup>: same reason y<sup>e</sup>: great increase of y<sup>e</sup>: Revenues (as y<sup>e</sup>: trade of y<sup>e</sup>: place shall thrive) is by y<sup>e</sup>: most prudent method to be prevented if you can settle a Watchman y<sup>t</sup>: is independant on y<sup>e</sup>: neighbouring Polligars & can limit y<sup>e</sup>: Revenue so as y<sup>t</sup>: hereafter 'tshall grow too great you'll be always able to govern him y<sup>e</sup>: better.

In order to y<sup>e</sup>: settlement of y<sup>e</sup>: Watchmans Revenue cause an acco<sup>t</sup>: to be drawne out as exactly as you can of y<sup>e</sup>: present yearly amount as y<sup>e</sup>: same arises either by y<sup>e</sup>: last Watchmans acco<sup>t</sup>: or by computac<sup>on</sup> out of every particular sort of goods & remitt y<sup>e</sup>: same to us; possibly Wee may be able to give some directions to prevent those inconveniencies w<sup>ch</sup>: wee have had experience of here & when y<sup>e</sup>: Revenue is thoroughly understood Wee shall y<sup>e</sup>: better know how to limitt a certain sume yearly, or a certaine proportion thereof to y<sup>e</sup>: Watchman &

y<sup>e</sup>: overplus may be to y<sup>e</sup>: Comp<sup>as</sup>: use, y<sup>e</sup>: overplus of y<sup>e</sup>: Sea & Land Custome, or y<sup>e</sup>: Customers to receive y<sup>e</sup>: mony as 'tis gathered or at least to keep an acco<sup>t</sup>:

You did very well in causing Padre Clerici to shut y<sup>e</sup>: Portugueez church doors. Wee must never admitt y<sup>e</sup>: Padre Governadore at y<sup>e</sup>: Mount to exercise episcopall Jurisdiction there. Padre Clerici has not yet applied to us when he does Wee shall advise you Wee are of opinion y<sup>t</sup>: neither he nor any other but y<sup>e</sup>: Person or Persons who have a grant ought to officiate there either in y<sup>e</sup>: church or private houses It will look too much like owning y<sup>e</sup>: Padre Governadore authority and will open a Door for more hereafter to come among you y<sup>n</sup>: will be convenient w<sup>ch</sup>: evill may be better prevented now then removed hereafter. Therefore let Padre Paulo be restalled to officiate Padre Paulo[sic] revoked & cancelled y<sup>t</sup>: there may be but one licence in force at a time & if Padre Paulo and y<sup>e</sup>: Padre Governadore will not comply w<sup>th</sup>: this order lett not Padre Clerici or any other officiate publicly or privately by your order if you find they do in private houses you may connive at it till a grant be given to another.

During y<sup>e</sup>: Dutch siege of Policherry cause Tappyes to be laid on y<sup>e</sup>: Road to bring us daily or frequent advises of their progresse as you shall gain intelligence Wee have rec<sup>d</sup>: yours of y<sup>e</sup>: 12 instant advising their departure from Tegnapatnam.

Herew<sup>th</sup>: is a Letter to y<sup>e</sup>: Gov<sup>r</sup>: of Trincumbarr w<sup>ch</sup>: y<sup>e</sup>: Master of y<sup>e</sup>: Dutch Sloop omitted to call for Let it be forwarded by a Peon Wee are

TO MR. SIMON HOLCOMBEE CHIEF & C<sup>a</sup>: COUNC<sup>LL</sup>:  
FOR AFFAIRS OF THE R<sup>t</sup>: HON<sup>BLE</sup>: ENG:  
EAST INDIA COMPANY IN VIZAGAPATAM.

Wee have rec<sup>d</sup>: yo<sup>r</sup>: gen<sup>l</sup>: Letters dated y<sup>e</sup>: 17: 19 & 27 July w<sup>th</sup>: a Bengall Packett by y<sup>e</sup>: latter Wee gladly understand of y<sup>e</sup>: contract you have made w<sup>th</sup>: Budde Narrain & c<sup>a</sup>: for 20000 pag<sup>da</sup>: deliverable in December & y<sup>e</sup>: good hopes you have of their performing so well as to bring in  $\frac{1}{2}$  part in September: Wee hope you have not failed to advise y<sup>e</sup>: Agent & c<sup>a</sup>: in Bengall of your proceedings y<sup>t</sup>: they may order ships to call for yo<sup>r</sup>: bales as they pass from Bengall to Madrass. However wee have now advised them by y<sup>e</sup>: accompanying Packett w<sup>ch</sup>: forward upon receipt w<sup>th</sup>: your own further advices.

Wee shall send you by a boat or ship in few days about 5000 pa: w<sup>ch</sup>: is as much as is convenient to be trusted to such a conveyance & as much as Wee can spare at present but shall take best care Wee can for your further supply.

Wee shall be very glad to hear y<sup>t</sup>: you have adjusted accounts w<sup>th</sup>: Sheek Hossan & accomodated matters w<sup>th</sup>: the Seer Laschar.

The joining of Maddapollam Merch<sup>ts</sup>: was propounded only for y<sup>e</sup>: assistance of yours, but if they prove capable of themselves to carry on y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>as</sup>: business wee have our end answer'd without them.

If y<sup>e</sup>: prices of Longcloth be dearer in y<sup>e</sup>: Countrey then 10 per cent advanced on y<sup>e</sup>: stated prices Wee do not understand how tis possible for your Merch<sup>ts</sup>: to perform their contract unless they gain excessively on y<sup>e</sup>: Betellaeas to make amends for their loss on y<sup>e</sup>: rest.

But wee do still hope you may by y<sup>e</sup>: propounded method enlarge your investment & to enable you y<sup>e</sup>: better to performe it wee consent y<sup>t</sup>: you may

advance 12 per cent on y<sup>e</sup>: stated prices if you cannot prevail w<sup>th</sup>: any to bring in their Cloth by their own Stocks under y<sup>t</sup>: advance & wee do y<sup>e</sup>: more earnestly urge you to use your endeavours therein because wee shall undoubtedly have occasion for more Cloth then Wee can otherwise procure for y<sup>e</sup>: dispatch of a ship in January next. We have contracted here for 27000 pag<sup>ds</sup>: at Fort St. David for 20000 pag<sup>ds</sup>: w<sup>ch</sup>: w<sup>th</sup>: your contract makes y<sup>e</sup>: amount of y<sup>e</sup>: Coast contracts but 67000 & is too little for one great ship if Wee should receive y<sup>e</sup>: whole.

Its every way most convenient y<sup>t</sup>: your gen<sup>l</sup>: books J be ballanced in August w<sup>ch</sup>: will well compare w<sup>th</sup>: y<sup>e</sup>: time of y<sup>e</sup>: present Cheifs beginning w<sup>th</sup>: y<sup>t</sup>: reall rem<sup>s</sup>: then taken & also w<sup>th</sup>: y<sup>t</sup>: Fort St. George gen<sup>l</sup>: books therefore desire you to ballance them at y<sup>t</sup>: time & send them to us as soon as possibly you can & your books K ending Aprill 1693.

Wee rec<sup>d</sup>: your remarks on Mr Fleetwoods acco<sup>t</sup>: but returne you a copy thereof w<sup>ch</sup>: cause to be summed up & signed by y<sup>t</sup>: Cheif & Councill & remitt y<sup>e</sup>: same by y<sup>t</sup>: conveyance to his Excell y<sup>e</sup>: Comiss<sup>r</sup>: Gen<sup>l</sup>: in Behgall.

Cap<sup>t</sup> Brooks says y<sup>t</sup>: ye 200 pa: sent by him on y<sup>e</sup>: Madrass Frigatt was not  $\tilde{d}$ d by himself to Mr. Fleetwood being then under confinement at Chicacul but carryed w<sup>th</sup>: him to Bengall & delivered to Agent Charnock who remitted y<sup>e</sup>: same to him by bill drawn on Mr Sherrard & is y<sup>e</sup>: sum mentioned in Mr Fleetwood own acco<sup>t</sup>: viz<sup>t</sup>: y<sup>e</sup>: 11 article of his debt to acco<sup>t</sup>: curr<sup>t</sup>: Fort St. George rec<sup>d</sup>: of Cap<sup>t</sup>: Brooks R<sup>s</sup>. 600.

The error in y<sup>e</sup>: Invoice per Gingerlee Brigantine arises thus y<sup>e</sup>: Allum Ca: 71: 3: 25: is invoiced at pa: 12: 14: per Ca: amount pa: 899: 11: 2: but at y<sup>t</sup>: rate is pa: 881: 30: 5: y<sup>e</sup>: difference is pa: 17: 16: 3.

The 70 pa: is for a pipe of Canary w<sup>ch</sup>: in Mr Cheny Paymasters account in June 1689 is entred as then paid for & from his acco<sup>t</sup>: is entred in our gen<sup>l</sup>: books tho there was one sent in y<sup>e</sup>: March preceding w<sup>ch</sup>: is likewise charged to Vizagapatam if there was 2 pipes rec<sup>d</sup>: then you must charge y<sup>e</sup>: pa: 70: if but one 'tis an error in our books & must be rectified here.

By y<sup>e</sup>: first conveyance of y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>as</sup>: ships send us two Ca: of Twine 4 Ca: of Ropes & 1000 Gunnies for embaleing also 150 Leather Bucketts.

TO HIS EXC<sup>t</sup>: S<sup>r</sup>: JO<sup>n</sup>: GOLDSBOROUGH KN<sup>t</sup>:

COMMISSARY GEN<sup>LL</sup>: & SUPRAVISOR OF AFFAIRS

OF Y<sup>e</sup>: R<sup>t</sup>: HON<sup>BLE</sup>: ENG: EAST INDIA COMPANY.

May it please your Excellency

Our last to yo<sup>r</sup>: Excell<sup>y</sup> was dated 1 instant by ship Samuell inclosed are two Letters w<sup>ch</sup>: came from Bengall & Suratte for yo<sup>r</sup>: Excell<sup>y</sup> concerning y<sup>e</sup>: opening whereof your Excell<sup>y</sup> will receive advise otherwise.

By y<sup>e</sup>: enclosed copy of Paragraphs of Fort St. David Gen<sup>l</sup>: Letters your Excell<sup>y</sup> will understand y<sup>e</sup>: proceedings of y<sup>e</sup>: Dutch against Pullicherry to y<sup>e</sup>: day.

Wee send your Excell<sup>y</sup> copy of our contract w<sup>th</sup>: Fort St. George Merch<sup>ts</sup>: for 27000 pa: upon w<sup>ch</sup>: wee have paid them 10000 pa: in part whereof they rec<sup>d</sup>: pa: 2000 in dollars borrowed at interest at 16 $\frac{1}{3}$  for 10 pa: wee have rec<sup>d</sup>: 3 gen<sup>l</sup>: Lrēs from Vizagapatam dated 17: 19 & 27 July whereof y<sup>e</sup>: letter advices y<sup>t</sup>: they have contracted w<sup>th</sup>: Budde Narrain & c<sup>a</sup>: Marchants for 20000 pag<sup>ds</sup>: d<sup>ble</sup> in Xber next viz: longcloth, Sallampore, Sailcloth & Beetelaes in equall parts whereof they hope to receive  $\frac{1}{3}$  part by y<sup>e</sup>: 25 September next having 70 bales ready wee have now ordered them to advise your Excell<sup>y</sup> by y<sup>e</sup>: conveyance w<sup>t</sup>: Progress they make y<sup>t</sup>: your Excell<sup>y</sup> may y<sup>e</sup>: better know how to give order for y<sup>e</sup>: disposall of their bales, wee haveing no other way to gett them hither but by y<sup>e</sup>: Comp<sup>as</sup>: shipping as thay pass from Bengall or by hired Countrey vessells.

The Coast contracts deliverable in Xber & January next are at Fort St. George 27000 pa: at Fort St. David 20000 at Vizagapatam 20000 in all Pa: 67000 Wee doubt not of filling up Charles y<sup>e</sup>: Second or Sampson if either of them shall call here for y<sup>t</sup>: purpose or if our Merch<sup>ts</sup>: do all comply & wee receive y<sup>e</sup>: expected supply of Pepper from y<sup>e</sup>: West Coast & Saltpeter from Bengall there may be some hopes of dispatching a ship from hence in February or March next if she does not exceed 500 Tons but Wee cannot expect y<sup>t</sup>: our Merch<sup>ts</sup>: will

performe y<sup>e</sup>: contract if wee do not in due time furnish them w<sup>th</sup>: mony for w<sup>ch</sup>: yo<sup>r</sup>: Excell knows our stock is to small & Wee fear shall not be able to borrow enough so y<sup>t</sup>: unless wee do receive a supply from England wee shall not be in a capacity of finishing these contracts. Wee have but 4 or 5000 pag<sup>as</sup>: in Cash Fort St. David calls for mony but wee must first supply Vizagapatam w<sup>th</sup>: at least 6 or 7000 pag<sup>as</sup>: by a Countrey vessell w<sup>ch</sup>: will go in five days after w<sup>ch</sup>: wee shall have no Opportunity of sending them more but if your Excell can from Bengall furnish them w<sup>th</sup>: 10 or 15000 Rup<sup>s</sup>: Surratt or weighty Bengall without holes twill enable them to go through w<sup>th</sup>: their contract otherwise 'tis to be feared y<sup>t</sup>: y<sup>e</sup>: Merch<sup>ts</sup>: will fail in time.

Our last advised yo<sup>r</sup>: Excell of Percoll Chinewashes coming hither w<sup>th</sup>: Zulphaker Cauns Perwanna for y<sup>e</sup>: government of Tripopalore Trivalore Countreys since w<sup>ch</sup>: Mamodareef his adopted son of about 20 years of age came w<sup>th</sup>: an Eliphant 50 Horse & 50 Rashpoots to take his pleasure & see y<sup>e</sup>: place for 4 or 5 days whom Wee accomodated at y<sup>e</sup>: Garden House & at his departure presented him w<sup>th</sup>: some Tonqueen lacquered Ware & c<sup>a</sup>: trifeling Rarities he & his Camp do affirm Assud Chan is in favour notwithstanding all reports to y<sup>e</sup>: contrary & y<sup>t</sup>: Zulphaker Caun has rec<sup>d</sup>: fresh orders from y<sup>e</sup>: King against Chingee so y<sup>t</sup>: Wee are yet under y<sup>e</sup>: same uncertainty y<sup>t</sup>: wee were concerning Assud Chan but there is no reason to think he is casheired whilst Zulphaker Chan is continued in his government for he must stand & fall w<sup>th</sup>: his Father.

Allemerde Chan on y<sup>e</sup>: 4<sup>th</sup>: Ins<sup>t</sup>: past by in a Dutch ship w<sup>th</sup>: a flagg at topmasthead for Pollicatt they saluted y<sup>e</sup>: Fort w<sup>th</sup>: thirteen Gunns wee answer'd w<sup>th</sup>: as many & sent him off two Chests of Rosewater by his Brother in Law residing here & since his arrivall at Pollicatt he wrote a Letter to y<sup>e</sup>: President only matter of compliment & desiring to be furnished w<sup>th</sup>: a little Persia Tobacco whereof wee sent him foure or five Maund the President discourseing w<sup>th</sup>: his Brother in Law desired him to assure Allemerde Chan of a kind reception here if he had occasion to come y<sup>e</sup>: way but was answer'd y<sup>t</sup>: Allemerde Chan had writt to the Mogull & could not depart from Pollicatt till he had rec<sup>d</sup>: an answer but by advices gained by a Spy Braminy y<sup>e</sup>: reason is y<sup>t</sup>: y<sup>e</sup>: Dutch have advancet mony on behalf of Allemerden Chan & y<sup>t</sup>: they'le not permitt him to go thence till it be satisfied his old servants come in to him & he is in expecta<sup>co</sup>n of recovering his former government.

Wee have rec<sup>d</sup>: from Vizagapatam their Remarks on Mr. Charles Fleetwoods acco<sup>ts</sup>: w<sup>ch</sup>: being unsigned wee have sent them a Copy w<sup>th</sup>: orders to sign it & send to yo<sup>r</sup>: Excell they write to us for y<sup>e</sup>: Papers relating to Mr. Du Boys & Mr. Chapmans acco<sup>ts</sup>: Wee have now sent them all y<sup>t</sup>: are here.

Mr. Thomas Yale being decreed by y<sup>e</sup>: Court of Admiralty to pay 250 pa: for a Parcell of China Rofojt & Gallingall w<sup>ch</sup>: he converted to his owne use & 312 for fr<sup>ts</sup>: & Custome of other Persons goods whereof he rec<sup>d</sup>: fr<sup>ts</sup>: of y<sup>e</sup>: Proprietors & never brought y<sup>t</sup>: to acco<sup>ts</sup>: or paid y<sup>e</sup>: Custome in all 562 pa: w<sup>ch</sup>: is satisfied.

Mr. Nicks boath by y<sup>e</sup>: common report & opinion of y<sup>e</sup>: Chirurgeons ordered to visitt him, contracted a dangerous indisposition by close confinement wee have agreed w<sup>th</sup>: y<sup>e</sup>: advice of y<sup>e</sup>: Judge y<sup>t</sup>: y<sup>e</sup>: Marshall have leave to keep him Prisoner in his owne house taking good security to himselfe y<sup>t</sup>: he shall not endeavour to escape & y<sup>t</sup>: y<sup>e</sup>: Mony due to y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>s</sup>: by Judgement shall be paid in case he doth escape.

The Judge hath paid into y<sup>e</sup>: Comp<sup>ss</sup>: Cash pa: 4809 viz<sup>t</sup>: 1292½ in full of a Judgement for a 1000 pag<sup>as</sup>: taken by y<sup>e</sup>: late President Yale out of y<sup>e</sup>: Comp<sup>ss</sup>: Cash w<sup>th</sup>: its Interest pa: 2082: 18: for what he had expended upon y<sup>e</sup>: Mudd outworks w<sup>ch</sup>: Interest & pa: 1434 in full of y<sup>e</sup>: Judgement of pa: 4923 for y<sup>e</sup>: damages sustained by his means on y<sup>e</sup>: Conomeer Investment.

Having lately taken a view of y<sup>e</sup>: River Wee find y<sup>t</sup>: ther's ten or twelve passages through y<sup>e</sup>: Wall into y<sup>e</sup>: River belonging to private houses some whereof are uninhabited & lye quite open. Wee have therefore made a publick order y<sup>t</sup>: y<sup>e</sup>: Inhabitants concerned do stop up y<sup>e</sup>: passages & repair y<sup>e</sup>: walls where

there is occasion Charles round Point is already piled wee also find a necessity for piling York Point & Queens Point to prevent their being undermined one by  $y^e$ : sea &  $y^e$ : other by  $y^e$ : force of  $y^e$ : River streams  $w^h$ : have already wrought to near to  $y^e$ : wall of Queens Point.

Chenewondra Chitte hath obtained Judgement against Vencatty in  $y^e$ : Mayors Court for 50 pag<sup>as</sup>:  $w^h$ : Intrest & Anco for pa: 300  $w^h$ : Interest  $w^h$ : Vencatty refusing to pay  $y^e$ : officers of  $y^e$ : Court have taken him in Execution.

Nalla Vincatadry hath been prosecuted in  $y^e$ : Court of Admiralty for  $y^e$ : lead & Gunns found of  $y^e$ : Shipp Loyall Adventure &  $y^e$ : Court hath decreed him to pay 149 pa: besides  $72\frac{1}{2}$  pa: already paid &  $y^e$ : remaining quarter part is for  $y^e$ : Macqua mens Wages &  $c^a$ : Charges.

Wee have not yet rec<sup>d</sup>: from Mr. Haynes  $y^e$ : Acco<sup>ts</sup>: of  $y^e$ : false fannams coined in Fort St. David Mint.

Wee assayed five fannams rec<sup>d</sup>: from Fort St. David of  $y^e$ : new coynage & it proving but four Matt wee sent for five more  $w^h$ :  $y^e$ : Assay Master reports to be but 4 Matt.

Two of  $y^e$ : ablest of  $y^e$ : Conomeer Merch<sup>ts</sup>: are joined  $w^h$ : our Madrass Merch<sup>ts</sup>: in  $y^e$ : Countract & also a new Madrass Merchant  $w^h$ : upon examina<sup>cion</sup> of their stock are content to pay at  $y^e$ : rate of 90 pa: a share  $w^h$ : makes their stock to be 9000 pa: tho as  $y^e$ : Merch<sup>ts</sup>: make up their acco<sup>ts</sup>: including desperate debts it comes out more. Timapah tho he has so long acted as Cheif Merch<sup>t</sup>: never had any share in  $y^e$ : stock but he has now paid in his shares he &  $y^e$ : Cheif Dubash have been sick ever since  $y^o$ : Excell went their sickness &  $y^e$ : adjustments of  $y^e$ : Acco<sup>ts</sup>: of  $y^e$ : Stock have been  $y^e$ : reason why wee come not to a conclusion  $w^h$ :  $y^m$ : till  $y^e$ : 7<sup>th</sup>: August.

As to Dr. Browns Perwanna from Cossim Chan for Trivalore &  $c^a$ : wee have concluded  $y^t$ : 'tis not expedient  $y^t$ : he enter upon  $y^e$ : same because  $y^e$ : Rent is not determin<sup>d</sup> & because as yet Zulphaker Chan is actually in  $y^e$ : Government.

Wee have dd to our Merch<sup>ts</sup>: a Covett or two of  $y^e$ : head Musters of each sort of cloth contracted for to send into  $y^e$ : Countrey by their Factors to direct  $y^e$ : making of  $y^e$ : Weavers loomes fitt to weave Cloth of pu[n]jums equall to  $y^e$ : respective Musters  $y^e$ : generality of their looms having been altered for sev<sup>n</sup>: years to a less Number then formerly.

The Talliaars grow Troublesome  $y^t$ : their is great reason for adjusting  $y^t$ : Point as soon as can be their People being mett lately at an adjacent Town  $w^h$ : they rent of  $y^e$ : Duan were very near engaged in a quarrell about  $y^e$ : land but were then timely recalled but  $y^e$ : quarrell soon after renewing & having intelligence  $y^t$ : thay made a private prepara<sup>cion</sup> for goeing out to fight Wee sent for  $y^e$ : two Cheif Talliaars & confined them for 3 or 4 days to prevent their quarrelling  $y^e$ : matter is at present accommodated by Permitting Aringapanagge to go on  $w^h$ :  $y^e$ : ground & allowing Timapah a valuable considera<sup>cion</sup> out of their Choultry Revenue for his present maintenance.

Att Fort St. David their Watchman ran away & carried all his men  $w^h$ : him they wrote to us to send them one of ours but they have since advised they have agreed  $w^h$ : one of their neighbouring Watchmen to take charge of their Towne they also advise that the Portuguese Padre Paulo is displaced by  $y^e$ : Padre Governadore & one Padre Clerici appointed in his room but wee have strictly ordered  $y^t$ : no Person have publick allowance to officiate but such as are appointed from hence & not in  $y^e$ : least admitt of  $y^e$ : Padre Governadore authority there.

Wee have rec<sup>d</sup>: 233 $\frac{1}{2}$  piggs of ship Samuells Lead weighing 211<sup>ca</sup>: 9<sup>md</sup>: 11<sup>lb</sup>:  $w^h$ : is 13 $\frac{1}{2}$  piggs short of  $y^e$ : number acknowledged by Cap<sup>t</sup>: Freake & by proportion 8 $\frac{1}{2}$  Ca: short in weight whereupon wee have taken off  $y^e$ : attachment laid on  $y^e$ : 1130: pa: in Cap<sup>t</sup>: Burtons hands except pa: 120  $y^e$ : value of 8 $\frac{1}{2}$  Candy referring  $y^e$  adjustment thereof to  $y^o$ : Excell order.

Our last was 21, 24 past copy whereof comes: herew<sup>th</sup>: y<sup>e</sup>: Fort St. David fan<sup>s</sup>: coyned by y<sup>e</sup>: Mint Braminy proveing by two Assays made by our Assay Master but 4 matt wee have ordered them at Fort St. David to cause 20 of y<sup>e</sup>: same coinage to be melted down into a mass whereof they are to remitt us hither  $\frac{1}{2}$  & to make themselves an Assay of y<sup>e</sup>: other  $\frac{1}{2}$  y<sup>t</sup>: y<sup>e</sup>: tryall may be y<sup>e</sup>: more certain.

Mr. Hains has remitted to us only an acco<sup>t</sup>: of fan<sup>s</sup>: coyned by Rama Linga but it not distinguishing y<sup>e</sup>: sev<sup>l</sup>: stamps whereof yo<sup>r</sup>: Excell caused 4 Assays to be made at Fort St. David whereby our Judgement must be directed wee have wrote to them again for a more particular acco<sup>t</sup>: & have not yet rec<sup>d</sup>: their answer.

Padre Clericia hath been with us to request a Licence for succeeding Padre Paulo in the Portugueez church At Cuddalore w<sup>ch</sup>: wee have consented to grant him when y<sup>e</sup>: former licence granted to Padre Paulo shall be dd in he is subject to an Italian Superiour in Goa as appears by lres missionary produced & is independant on y<sup>e</sup>: Padre Governadore at y<sup>e</sup>: Mount.

On y<sup>e</sup>: 28<sup>th</sup>: Instant Mr. James Wheeler being summoned [to] Consultaçõn when wee mett at 9 a Clock were told he was not well before 10 word was brought y<sup>t</sup>: he was very sick & before 11 y<sup>t</sup>: he was dead w<sup>ch</sup>: was a very great surprize he having been seen to walk out y<sup>t</sup>: morning very well after some Physick he had taken finding himselfe indisposed came home & in 2 or 3 hours vomited & purged & complaining of excessive pain in his bowells & so continued till he dyed, Doctor Browne who gave him y<sup>e</sup>: Physick having an apprehension y<sup>t</sup>: there had been by a mistake Arsenick mixed w<sup>th</sup>: Powder of Pearl or one given for t<sup>o</sup>ther while he was in amazem<sup>t</sup>: & distraction of mind wrote a note to y<sup>e</sup>: President y<sup>t</sup>: he had murther'd Mr. Wheeler by giving him Arsenick upon w<sup>ch</sup>: & Doctor Buckleys report who opened y<sup>e</sup>: corps y<sup>e</sup>: Attorney Gen<sup>l</sup>: was ordered to bring Doctor Browne to a tryall upon w<sup>ch</sup>: he was y<sup>t</sup>: day acquitted by y<sup>e</sup>: grand Jury. who brought in y<sup>e</sup>: bill-Ignoramus to. y<sup>e</sup>: dissatisfaction of y<sup>e</sup>: Court who were of opinion there was sufficient ground for referring it to y<sup>e</sup>: tryall of a Pettit Jury tho there does not appear any reason to suspect any malicious design in Doct<sup>r</sup>: Browne & tis y<sup>e</sup>: Gen<sup>l</sup>: opinion of those who saw y<sup>e</sup>: body & have made strict enquiry into y<sup>e</sup>: circumstances of things y<sup>t</sup>: Mr. Wheeler had no poyson given him & y<sup>t</sup>: Doctor Browne was mistaken in y<sup>t</sup>: w<sup>ch</sup>: first gave in cause to suspect it yet for publick satisfaction as well here as in England it had been better if y<sup>e</sup>: proofs of all circumstances had been made Publick Wee have appointed Mr. Empson Mr. Weverell & Mr. Listar to go on w<sup>th</sup>: y<sup>e</sup>: business of y<sup>e</sup>: Sea Customes as they did Mr. Empson to act as Provisionall Sea Customer till farther order & Wee have appointed Mr. Wright to be justice of y<sup>e</sup>: Choultry to supply y<sup>e</sup>: vacancy & Mr. Fraser being y<sup>e</sup>: only surviving present of y<sup>e</sup>: seaven persons named in y<sup>e</sup>: Judge Advocates Commission out of w<sup>ch</sup>: his assistants ought to be chosen wee have appointed him to supply Mr. Wheelers place in Court y<sup>t</sup>: y<sup>e</sup>: Court may not fall as to y<sup>e</sup>: Gen<sup>l</sup>: Books of Fort [St. George] w<sup>ch</sup>: y<sup>e</sup>: R<sup>t</sup>: H: Comp<sup>a</sup>: by their generall letters had particularly obliged him to carry on & had made no other provision wee shall be at a very great loss unless y<sup>e</sup>: next ship shall bring us a supply of Persons fitt for it or y<sup>t</sup>: yo<sup>r</sup>: Exce<sup>l</sup>: can send one from Bengall.

Our gen<sup>l</sup>: books ending Aprill last are brought up but to January tho tis probable wee may gett them finished yet, twill be very difficult to gett y<sup>e</sup>: currant books carried on there being none of y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>as</sup>: serv<sup>ts</sup>: here capable of assisting y<sup>e</sup>: Accountant in it except y<sup>e</sup>: Secretary Mr. Betts.

certain rate rather more  $y^n$ : a valuable consideration for exchange whereby  $y^e$ : sending of  $y^e$ : mony was deferred two days we committed them all to  $y$ : Choultry & laid a fine of a pag<sup>a</sup>: upon each head & all  $y^t$ : exchanged silver & gold it appearing to us  $y^t$ : they did [it] designedly to avoid doing  $y^e$ : Comp<sup>a</sup>: Service having formerly given like Instances.

Cap<sup>t</sup>: Herron having lately seen Gov<sup>r</sup>: Pitt att their Camp informs us  $y^t$ : Gov<sup>r</sup>: Pitt told him  $y^t$ : at Nagapatam a few days before their fleet returned last to Tefnapatam he spied in his glass a ship at sea w<sup>th</sup>: English colours 600 or 700 tun standing into Negapatam Road but after  $y^e$ : ship had seen  $y^e$ : Fleet in  $y^e$ : Road stood off to sea whereupon he ordered his Vice Admirall & Rear Admirall to go after her & w<sup>th</sup>: her but in  $y^e$ : night they lost her  $y^e$ : Commanders of boath ships do also affirm her to be a large Europe ship w<sup>th</sup>: English colours but we have heard nothing more concerning her.

Wee have sold off all  $y^e$ : China Allum at pa:  $9\frac{3}{4}$  per Candy &  $y^e$ : English at p<sup>a</sup>:  $11\frac{1}{4}$  w<sup>th</sup>: will amo<sup>t</sup>: to about pa: 3000.

Will yo<sup>r</sup>: Excell please to order  $y^e$ : Cheif of Ballasore upon  $y^e$ : arrivall of shipping there from Europe or any other extraordinary accident w<sup>ch</sup>: they may judge proper to advise us of to send Expresses to Fort St. George because there is at least 15 days difference between our having advices from thence and from Chuttanutta.

DEP<sup>TY</sup>: GOV<sup>R</sup>: & C<sup>A</sup>: COUNCILL ATT FORT ST: DAVID.

Your Argument in yours of y<sup>e</sup> 29 past relating to yo<sup>r</sup> Watchmen holds good so long as there shall be a good agreem<sup>t</sup>: between you but when he's growne great & pow<sup>r</sup>:full you'l find him apt to quarell upon small designs & y<sup>n</sup>: y<sup>e</sup> more powerfull y<sup>e</sup> more mischeivous he will be, when 'tis in their power to do you good or harm there's more reason to p<sup>r</sup>vide ag<sup>st</sup>: y<sup>e</sup>: mischeif y<sup>n</sup> to depend on their ffreindship unless y<sup>e</sup> [f]ate was y<sup>e</sup> same w<sup>th</sup> you as 'twas w<sup>th</sup>: y<sup>e</sup>: Danes in a confederacy of mutuall defence for his better security against y<sup>e</sup> neighbouring Governments w<sup>th</sup>: whom he's at variance & has y<sup>e</sup> ffort of Trincumbar to retreat to for y<sup>e</sup> safety of his P<sup>r</sup>son but by y<sup>e</sup>: experience We have had in ffort S<sup>t</sup>: George y<sup>e</sup> [p]owerfullness of y<sup>e</sup> Peddanagues is very troublesome & no ways serviceable 'tis not long since one of them told us in a passion y<sup>t</sup>: he was able to bring 6,000 men to his Assistance w<sup>ch</sup>: Wee don't beleive yet 'tis true he can engage more ffreinds to assist him against us y<sup>n</sup>: he either will or can engage to assist us if Wee have occasion. What Wee have written on y<sup>t</sup>: Subject is only matter of caution & not an order you [men]tion 2 Circumstances w<sup>ch</sup>: renders your choice very agreeable to your P<sup>r</sup>sent case Viz<sup>t</sup>: prevention or stoppage of goods passing through his Countrey & y<sup>e</sup> mischeife of y<sup>e</sup> old disgusted Oklenague concerning w<sup>ch</sup>: you can best judge Wee therefore leave it to you to appoint [y<sup>e</sup>. person] & agree w<sup>th</sup> him as well as you can.

In y<sup>e</sup> Cowle you give him you may incert the following articles or as many as you shall find necessary & he'll consent to Viz.

That he take nothing of Merch<sup>ts</sup>: who buy grain or goods of y<sup>e</sup> R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>t</sup>:

That his Peons or Talliars shall be employed in watching y<sup>e</sup> Towne as y<sup>e</sup> Choultry Justices shall appoint & he himselfe attend at y<sup>e</sup> Choultry when y<sup>e</sup> Justices shall require it.

That when y<sup>e</sup> D<sup>y</sup> Gov<sup>r</sup>: has occasion to go abr<sup>d</sup>: he shall send 50 or 100 Peons to attend without Batty but if they are detained more then 2 or 3 days y<sup>n</sup>: Batty to be allowed them.

To make satisfaction for what shall be robb'd or stolen w<sup>th</sup> in y<sup>e</sup> bounds.

That he endeavour to prevent y<sup>e</sup> running away of any P<sup>r</sup>sons inhabiting w<sup>th</sup> in y<sup>e</sup> bound[s] & if they do run away y<sup>t</sup>: he shall bring them again.

That he shall keep safe such P<sup>r</sup>sons as are committed to his Custody & if any D<sup>r</sup> escape to make good y<sup>e</sup> Debt or if a Criminall to pay a fine.

That he shall do all y<sup>e</sup> Service he can for y<sup>e</sup> R<sup>t</sup>: Hon<sup>ble</sup>: Company whenever required by y<sup>e</sup> D<sup>y</sup>: Gov<sup>r</sup> & Counc<sup>ll</sup>:

That he shall dd up his Cowle when ever y<sup>e</sup> D<sup>y</sup> Gov<sup>r</sup> & Counc<sup>ll</sup> shall see cause to require it upon his misbehaviour.

As to y<sup>e</sup> No: of Peons to be kept by him it may be stated by y<sup>e</sup> am<sup>t</sup>: of y<sup>e</sup> Revenue for every 100 pa 20 Peons at least & if you can order it so as to have acco<sup>t</sup>: kept of y<sup>e</sup> Revenue by your owne Conicoplaes at y<sup>e</sup> end of y<sup>e</sup> year y<sup>e</sup> N<sup>o</sup>: of Peons may be accordingly appointed for y<sup>e</sup> ensuing year & you may oblige him once a fortnight or once a month to cause them to be mustred by y<sup>e</sup> Paymast<sup>r</sup> as o<sup>r</sup>: owne Peons are mustred.

As to y<sup>e</sup>: Price of y<sup>e</sup>: Tobacco sold by y<sup>e</sup>: ffarmers w<sup>ch</sup>: y<sup>e</sup>: Justices of y<sup>e</sup>: Choultry have stated cheaper y<sup>n</sup>: y<sup>e</sup>: D<sup>r</sup>: Gov<sup>r</sup>: thinks reasonable 'tis probable y<sup>e</sup>: D<sup>r</sup>: Gov<sup>r</sup>: considers y<sup>e</sup>: ffarmers are to be encouraged so as to raise y<sup>e</sup>: revenue higher y<sup>e</sup>: next year & y<sup>e</sup>: Justices y<sup>n</sup>: y<sup>e</sup>: Inhabitants are not to be oppressed & you are both in y<sup>e</sup>: right y<sup>e</sup>: only means to direct for judging equitably on both partys is y<sup>e</sup>: Cost of y<sup>e</sup>: Tobacco If it be true as your gen<sup>l</sup>: Letter represents it y<sup>t</sup>: when Tobacco was bought at pa 6 & 7  $\text{p}$  Candy 'twas retaild at 5, 6 & 7 pa w<sup>th</sup>:  $\text{p}$  Cash it must follow that when 'tis bought at 9 & 10 pa  $\text{p}$  Candy 'tmust be retaild at a dearer price & therefore y<sup>e</sup>: Dep<sup>y</sup>: Gov<sup>r</sup>: is in y<sup>e</sup>: Right in stating y<sup>e</sup>: price of retaile at 5½ pa w<sup>th</sup>:  $\text{p}$  Cash But as to yo<sup>r</sup>: question whether y<sup>t</sup>: Justices have vote in Coun[cill] in appeals from y<sup>e</sup>: Choultry. We determine y<sup>t</sup>: they have because they are of Councill & 'tis not a  $\text{p}$ sonall concerne but y<sup>e</sup>: R<sup>t</sup>: H: Comp<sup>a</sup>: business y<sup>e</sup>: managem<sup>t</sup>: whereof is determined by majority of votes & because 'tis necessary y<sup>t</sup>: all questions should be brought to some conclusion when ther's an equall division upon y<sup>e</sup>: question y<sup>e</sup>: D<sup>r</sup>: Gov<sup>r</sup>: vote is double.

The Justices of y<sup>e</sup>: Choultry are three & there are but three more in Counc<sup>l</sup>: whereof if y<sup>a</sup>: Justices draw one to their  $\text{p}$ ty then they'le be able to manage all businesses as they please w<sup>ch</sup>: Wee hint not because wee have heard any complaint or do suspect [y<sup>t</sup>:] y<sup>e</sup>: justices make a ffaction but only as [matter] of Caution for whenever any thing of y<sup>t</sup>: [nature] shall appear Wee shall take care to redress it. Inclosed is y<sup>e</sup>: rate of y<sup>e</sup>: Land Custom<sup>a</sup>: Sea Customers & Choultry Justices fees as stated here Also y<sup>e</sup>: copy of o<sup>r</sup>: order of Consultaçon concerning Rama Linga & Moota their cheatage in y<sup>e</sup>: Mint.

To y<sup>e</sup>: DEP<sup>ty</sup>: Gov<sup>r</sup>:

In y<sup>e</sup>: inclosed direction is o<sup>r</sup>: gen<sup>l</sup>: Letter to y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Company w<sup>th</sup>: w<sup>ch</sup>: y<sup>r</sup>: Dep<sup>y</sup>: Gov<sup>r</sup>: may make up your relaçon of y<sup>e</sup>: Dutch affairs at Pulicherry in one packett directed to y<sup>e</sup>: R<sup>t</sup>: H: Comp<sup>a</sup>: & send it forward to y<sup>e</sup>: Gov<sup>r</sup>: of Trincumbar w<sup>th</sup>: o<sup>r</sup>: Letter to him w<sup>th</sup>: all expedition Wee are

Hon<sup>ble</sup>: S<sup>r</sup>: & c<sup>a</sup>:

Wee have none of yours to answer y<sup>e</sup>: advices you sent by y<sup>e</sup>: Bouyers being all lost in y<sup>e</sup>: W<sup>m</sup>: Bouyer. This comes by an Armenian Cossett.

His Excell<sup>y</sup>: Com<sup>missary</sup> departed hence for Beng<sup>l</sup>: on y<sup>e</sup>: 29<sup>th</sup>: July last & wee suppose will returne hither in Xber next & we pray yo<sup>r</sup>: Hon<sup>r</sup>: &c<sup>t</sup>: in yo<sup>r</sup>: next gen<sup>l</sup>: Letters to direct such advices as are proper to acquaint us with, to us in y<sup>e</sup>: Com<sup>missarys</sup> absence.

Wee are adviced from Bengall by y<sup>e</sup>: Agent &c<sup>t</sup>: y<sup>t</sup>: they have determined to dispatch y<sup>e</sup>: Sampson for Europe y<sup>e</sup>: latter end of y<sup>e</sup>: last or y<sup>e</sup>: beginning of y<sup>e</sup>: month & y<sup>e</sup>: Charles y<sup>e</sup>: 2<sup>d</sup>: in Xber. Their business goes on by y<sup>e</sup>: Nabobs favour thô under some restriction in y<sup>e</sup>: passing of their Dusticks yet y<sup>e</sup>: Merch<sup>ts</sup>: are not restrained from trading w<sup>th</sup>: them.

Wee understand yo<sup>r</sup>: Hon<sup>r</sup>: &c<sup>t</sup>: doth maintain a Vaqueel at y<sup>e</sup>: Mogulls Court Please to order him to write us at least once a month or as often as occasion requires y<sup>e</sup>: newes of y<sup>e</sup>: Court w<sup>ch</sup>: here is so various & uncertain y<sup>t</sup>: Wee are often deceived w<sup>th</sup>: false reports w<sup>ch</sup>: might be prevented by his more certain intelligence there are two things p<sup>ar</sup>ticularly of import y<sup>t</sup>: Wee should not be mistaken in one concerning Assud Caune y<sup>e</sup>: grand Vizier who by reason of his & his Son failure in y<sup>e</sup>: conquest of Chingee & their unkind usage of y<sup>e</sup>: Pri[nce] Caune Bux was recalled by y<sup>e</sup>: Mogull many months but not yet admitted to y<sup>e</sup>: Kings presence. He's y<sup>e</sup>: P<sup>erson</sup> on whom o<sup>r</sup>: depend[ance] has been placed for some years for obtaining a Phirmaund & it hath already cost above 12000 pa: for w<sup>ch</sup>: wee have had nothing yet but fair promises. The Agent &c<sup>t</sup>: of Beng<sup>l</sup>: have wrote to us to make application to y<sup>e</sup>: Mogull w<sup>th</sup>: respect to y<sup>e</sup>: gen<sup>l</sup>: Stop of trade but Wee are at a loss after what manner & unto whome to make address by reason of y<sup>e</sup>: circumstances Assud Caune is in besides yo<sup>r</sup>: Hon<sup>r</sup>: &c<sup>t</sup>: have a Vaqueel at Court w<sup>ch</sup>: we conclude is imployed not only in accomodating y<sup>e</sup>: disputes you have concerning y<sup>e</sup>: prizes but for taking of y<sup>e</sup>: universall Stop upon trade in y<sup>e</sup>: Mogull Dominions but Wee are altogether unacquainted w<sup>th</sup>: yo<sup>r</sup>: proceedings therein & if wee should undertake from hence to make an application for redress we may at last make it a double unnecessary charge if not interfere w<sup>th</sup>: yo<sup>r</sup>: proceedings. Wee therefore pray yo<sup>r</sup>: Hon<sup>r</sup>: &c<sup>t</sup>: to remitt hither by y<sup>e</sup>: first opportunity a p<sup>ar</sup>ticular acco<sup>t</sup>: of y<sup>e</sup>: manner & progress of your addresses at Court y<sup>e</sup>: P<sup>ersons</sup> you apply thither y<sup>e</sup>: prospect you have of good or ill Success so as y<sup>t</sup>: y<sup>e</sup>: same may meet his Excell here at his arrivall w<sup>ch</sup>: will be a great Satisfaction & direction to him in judging of that affair. The Second thing wherein yo<sup>r</sup>: Vaqueel may be Serviceable to us in his advices is this y<sup>e</sup>: Emperour is old & sev<sup>n</sup>: Sons gaping for y<sup>e</sup>: Succession in case of his Death or any other accident w<sup>ch</sup>: doth either determine or alter y<sup>e</sup>: Succession 'twould be very convenient y<sup>t</sup>: Wee have y<sup>e</sup>: speediest advice.

The Heer Pitt Gov<sup>r</sup>: of Negapatam w<sup>th</sup>: a fleet of 19 ships & [above] 1500 [Europeans & Countrey] Soldiers beseiged Pullicherry on y<sup>e</sup>: 15 August & on y<sup>e</sup>: 31 had y<sup>e</sup>: ffort surrendred to him on terms of w<sup>ch</sup>: Wee know no more then that all y<sup>e</sup>: ffreuch Soldiers (except those marry'd to Musteez in y<sup>e</sup>: Countrey) marching out of y<sup>e</sup>: ffort w<sup>th</sup>: their Arms left them at y<sup>e</sup>: Sea side & embarked on part of y<sup>e</sup>: Dutch ffeet for Batavia Monsieur Martin y<sup>e</sup>: Directore & y<sup>e</sup>: Second & y<sup>e</sup>: Jesuits are all gone w<sup>th</sup>: that ffeet & 'tis said y<sup>e</sup>: Dutch have promised to carry them to ffrance.

The R<sup>t</sup>: H: Comp<sup>a</sup>: in their former Letters both to Surratt & y<sup>e</sup>: place have made mention of o<sup>r</sup>: supplying Surratt w<sup>th</sup>: money supposing Wee had here an overplus of Stock but Wee do assure yo<sup>r</sup>: Hon<sup>r</sup>: &c<sup>t</sup>: y<sup>t</sup>: Wee are not in a capacity to give you any assistance & can ill spare y<sup>e</sup>: mony to be sent to Brinjoan w<sup>ch</sup>: Wee mention y<sup>t</sup>: you may not depend upon us Wee are

May it please yo<sup>r</sup>: Exc<sup>o</sup>:

Wee y<sup>e</sup>: day rec<sup>d</sup>: a Lett<sup>r</sup>: directed to your Excell under y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>as</sup>: Seal w<sup>ch</sup>: came from Persia by Dutch ships to Gov<sup>r</sup>: Pitt at Pullicherry & by him sent to ffort S<sup>t</sup>: David w<sup>ch</sup>: letter Wee hasten to send forward to yo<sup>r</sup>: Excell<sup>ty</sup>: not knowing it's import as also a Letter w<sup>ch</sup>: Wee rec<sup>d</sup>: on y<sup>e</sup>: 12 Inst. from Surratt by an Armenian Cossett w<sup>th</sup>: advises of Armenian Overland Letters rec<sup>d</sup>: in Surratt & its appearing by y<sup>e</sup>: hand to be from Presidents Harris & a Ship being to go suddenly from hence for Surratt Wee agreed y<sup>t</sup>: y<sup>e</sup>: President open & peruse y<sup>e</sup>: same that Wee might have returned an answer if occasion had required but y<sup>e</sup>: President finds nothing therein w<sup>ch</sup>: concerns us to intermeddle in.

Our last to yo<sup>r</sup>: Excell was y<sup>e</sup>: 2<sup>d</sup>: Ins<sup>t</sup>: by Pattamar copy whereof comes inclosed.

The 3<sup>d</sup>: Assay made here of y<sup>e</sup>: ffort S<sup>t</sup>: David new fflannams proves 4½ Matt thô they were Sent to us for y<sup>e</sup>: same of those w<sup>ch</sup>: by two former Assays proves but 4 Matt.

Wee have rec<sup>d</sup>: from ffort S<sup>t</sup>: David an acco<sup>t</sup>: of y<sup>e</sup>: fan<sup>s</sup>: coyned by Rama Linga & c<sup>a</sup>: of y<sup>e</sup>: four sev<sup>n</sup>: Stamps whereof your Exc<sup>o</sup>: left y<sup>e</sup>: Assays & from y<sup>e</sup>: most exact computaçon Wee can make thereby y<sup>e</sup>: am<sup>o</sup>: of the cheatage is pa [lacuna in the original] but in consideraçon of y<sup>e</sup>: nature of y<sup>e</sup>: crime & y<sup>e</sup>: discredit thereby accruing to y<sup>r</sup>: R<sup>t</sup>: H: Companys Mint Wee have stated y<sup>e</sup>: fine of y<sup>e</sup>: Braminy pa: 300 and of y<sup>e</sup>: Shroff 200 pa: & sent o<sup>r</sup>: order accordingly to ffort S<sup>t</sup>: David.

Wee have sent a gen<sup>l</sup>: Letter to y<sup>e</sup>: R<sup>t</sup>: H: Comp<sup>a</sup>: dated y<sup>e</sup>: 13 Inst: recommended to y<sup>e</sup>: Gov<sup>r</sup>: of Trincumbar for conveyance by their Ship w<sup>ch</sup>: will depart in y<sup>s</sup>: month y<sup>e</sup>: Copy goes inclosed as also o<sup>r</sup>: gen<sup>l</sup>: Letter to Surratt dated 14 Inst.

Wee have y<sup>e</sup>: day rec<sup>d</sup>: a gen<sup>l</sup>: Letter from Fort S<sup>t</sup>: David dated y<sup>e</sup>: 12 w<sup>th</sup>: translate of Gov<sup>r</sup>: Pitts Letter to them whereof Wee send your Excell a Copy.

21 SEPTEMBER.

Being advised from ffort S<sup>t</sup>: David since y<sup>e</sup>: writing y<sup>e</sup>: foregoing y<sup>t</sup>: M<sup>r</sup>: Hammond Gibbons Cheif of Indapoora was arrived at Pullicherry from Batavia Wee thought it necessary to detain o<sup>r</sup>: Packett till his coming hither y<sup>t</sup>: he might be able to give yo<sup>r</sup>: Excell his acco<sup>t</sup>: of affairs at y<sup>e</sup>: West Coast, M<sup>r</sup>: Barthrust Dean a factor & Ensign Gardner came hither on Sunday y<sup>e</sup>: 17 by a Boat & M<sup>r</sup>: Gibbons on monday y<sup>e</sup>: 18 Inst. by Land upon their arrivall Wee ordered them to give in their narratives, apart, of y<sup>e</sup>: passages at Indapoora but they having none ready but what was scattered in loose papers & y<sup>n</sup>: after a day expecting it appears y<sup>t</sup>: y<sup>e</sup>: digesting thereof will require more time y<sup>n</sup>: We think fitt to Stay for't Wee have sent y<sup>e</sup>: R<sup>t</sup>: H: Comp<sup>a</sup>: a gen<sup>l</sup>: acco<sup>t</sup>: of what Wee have gathered from their discourse together w<sup>th</sup>: a paper of some Diary Notes y<sup>e</sup>: copy of both w<sup>ch</sup>: Wee inclose & is all Wee can at present informe your Excell of y<sup>s</sup>: matter. M<sup>r</sup>: Gibbons complains very much y<sup>t</sup>: he has rec<sup>d</sup>: neither supply nor Letter from Bencoolen for a 12 months past tho he hath given them an acco<sup>t</sup>: of their condiçon in sev<sup>n</sup>: L<sup>res</sup>. The Madapollam arrived at Bencoolen in Aprill & was ordered to be thence dispatched as soon as unladen w<sup>th</sup>: y<sup>e</sup>: necessary supply & M<sup>r</sup>: Butterfeild to Indapoora but it seems y<sup>e</sup>: Ship & M<sup>r</sup>: Butterfeild was in June last at [P]riamong ladeing w<sup>th</sup>: Pepper.

The late Instances of Pullicherry & Indapoora are a warning to us to provide ag<sup>st</sup>: y<sup>e</sup>: Worst especially in case of a rupture in Europe between y<sup>e</sup>: English & Dutch Nations. Their underhand practises at Indapoora in time of Peace may probably convert into open Hostility at Bencoolen in time of Warr & ffort S<sup>t</sup>: David standing under like circumstances w<sup>th</sup>: Pullicherry Wee may very reasonably suppose will be exposed to y<sup>e</sup>: like Hazards unless better defended therefore Wee cannot but express o<sup>r</sup>: apprehensions to yo<sup>r</sup>: Excell: of y<sup>e</sup>: well

fortifying those two places particularly. The Dyary of M<sup>r</sup>: Gibbons mentioned to be sent could not be copy'd y<sup>e</sup>: Substance of it is mostly in y<sup>e</sup>: gen<sup>l</sup>: Letter to y<sup>e</sup>: R<sup>t</sup>: H: Comp<sup>a</sup>. Wee [are].

[KN<sup>r</sup>] COMMISSARY GEN<sup>l</sup>: & SUP<sup>ER</sup>VI<sup>r</sup> FOR AFFAIRES

OF Y<sup>r</sup>: R<sup>t</sup>: HON<sup>ble</sup>: EAST INDIA COMPANY IN BENGALL.

May it please yo<sup>r</sup>: Excell<sup>y</sup>:

Our last to yo<sup>r</sup>: Excell<sup>y</sup>: was 16 past by Palmears wherof Coppy goes [herewith] on y<sup>e</sup>: 27 ditto arrived Ship Madapollam from Yorke ffort on w<sup>ch</sup>: M<sup>r</sup>: James Sowden & M<sup>r</sup>: John Butterfe[i]ld t[oo]ke their passage, & brought

w<sup>th</sup>: them a Packett from y<sup>e</sup>: Gov<sup>r</sup>: & Counc<sup>n</sup>: & another from M<sup>r</sup>: Willson y<sup>e</sup>: List whereof goes [inclosed] their Gen<sup>n</sup>: Letter dat. 11 Sept<sup>r</sup>: last is very large q<sup>t</sup>: 7 Sheets of Paper & gives a Particular answer to y<sup>e</sup>: Fort St George Gen<sup>n</sup>: from w<sup>th</sup>: & their Consultation Cash books &c<sup>a</sup>: wee observe y<sup>e</sup>: following.

That y<sup>e</sup>: Maddapollam arrived at Bencoolen y<sup>e</sup>: 27<sup>th</sup>: Aprill & was dispatch hither y<sup>e</sup>: begining of Septem<sup>r</sup>: y<sup>e</sup>: reason rendred for detaning her so long is y<sup>t</sup>: in y<sup>e</sup> meddle of June upon advice of y<sup>e</sup>: lose of Indapore they resolved to Send her thither for y<sup>e</sup>: recovery of y<sup>t</sup>: Place & y<sup>e</sup>: [Messengers] were as farr as [P]riamong where y<sup>e</sup>: Buggesers sent upon y<sup>e</sup>: expeditions refus[ing] to proceed, they returnd to York Fort y<sup>e</sup>: 5 Aug<sup>t</sup>: & from y<sup>e</sup>: time till y<sup>e</sup>: 2 Septem<sup>r</sup>: they were employed in adj[u]sting of acco<sup>t</sup>: & Preparing Books & papers to Send hither.

That y<sup>e</sup>: bill wee paid here to Cap<sup>t</sup>: Howell of 6493 Doll<sup>rs</sup>: & y<sup>e</sup>: Doll<sup>rs</sup>: sent them by y<sup>e</sup>: Maddapollam 19680 together w<sup>th</sup>: a bought 8000 Doll<sup>rs</sup> rec<sup>d</sup>: there for goods and Pepper Sold & does make a sume of about 34000 Doll<sup>rs</sup>: actually rec<sup>d</sup>: by M<sup>r</sup>: Fleetwood &c<sup>a</sup>: from y<sup>e</sup>: 1 Jan<sup>r</sup>: 9<sup>3</sup>/<sub>4</sub> to y<sup>e</sup> last of Aug<sup>t</sup>: 1693 of w<sup>th</sup>: great sums has been in y<sup>t</sup>: time paid for Pepper no more y<sup>n</sup>: 2267 Doll<sup>rs</sup>: and y<sup>e</sup>: rest all expended for debts & charges except 4000 Doll<sup>rs</sup>: sent to [P]riamong 6786 Doll<sup>rs</sup>: y<sup>e</sup>: [Ball] of Cash y<sup>e</sup>: last of Aug<sup>t</sup>: besides w<sup>th</sup>: [Ball:] they have drawne upon us bills for about 7000 Doll<sup>rs</sup>: So y<sup>t</sup>: their Quick Stock was at y<sup>e</sup>: departure of y<sup>e</sup> Ship about 13000 & yet they write y<sup>t</sup>: if y<sup>e</sup>: Sampson comes she must bring [a] stock w<sup>th</sup>: her otherwise they cant provide Pepper for want of mony, The charges of y<sup>e</sup>: Garrison are large but they have sent no Pursers acco<sup>t</sup>: and therefore can say nothing to it.

That they have deferred y<sup>e</sup>: execution of y<sup>e</sup>: order for receiveing 5 % Cent Custome because y<sup>e</sup>: Dutch would thereby take an advantage against them & China men who are coming from Battavia would thereby be [discouraged] y<sup>t</sup>: 15 Coffrees now employed as Souldiers y<sup>t</sup>: some of them carry goods &c<sup>a</sup>: as occasion require thô otherwise they are not employed at all not so much as planting y<sup>e</sup>: [Batteries] &c<sup>a</sup>: for their own victuals but are wholly suply[ed] out of y<sup>e</sup>: stores.

That their Godowns had been latly burnt and Sevrall goods lost thereby & they have built another again one for Present use they can make [of] bricks.

That y<sup>e</sup> Cheneymen have made 50 or 100000 Bricks twelve months agoe but refuse to burne them so they lye, but y<sup>e</sup>: Coffrees were never used to y<sup>t</sup>: Service.

That they have employed David Davis as Secretary & Robert Henderson as doct<sup>r</sup>: but cannot imploy Wady as a Gardiner for want of seeds.

That of y<sup>e</sup>: 10 Butts of Bengall Arrack sent them by y<sup>e</sup>: Maddapollam some were expended among y<sup>e</sup>: Souldiers by a dayly allowance as was directed for 6 weeks only, and then la[i]d aside.

That y<sup>e</sup>: Silver fanams will not pass but Copper Cash will & they have enough of them till farther advice.

As to Indrapore they are of a opinion from y<sup>e</sup>: acco<sup>t</sup>: given them by English &c<sup>a</sup>: who went to York ffort y<sup>t</sup>: M<sup>r</sup>: Gibbons left it w<sup>th</sup>: there was no occasion for it & y<sup>e</sup>: Cap<sup>t</sup>: Lane at Padang offerd M<sup>r</sup>: Gibbon a passage for York ffort but he refus'd it & chose to goe for Battavia & they farther comp[lain] y<sup>t</sup>: they have not rec<sup>d</sup>: acc<sup>t</sup>: from Ind[r]apore.

That no Covenant servant has recd : Sallary since M<sup>r</sup>: Fleetwoods first Goeing.

That y<sup>e</sup> silver sent to Tonquen was weighed in Baggs by AvverDup<sup>s</sup>: w<sup>th</sup>: of 112<sup>th</sup>: & y<sup>n</sup>: put in y<sup>e</sup>: [chest] in presence of [y<sup>e</sup>] Master & Purser notw<sup>th</sup>: standing the Bills of Ladeing were takeing a side & contents unknowne they are of a Opinion y<sup>t</sup>: now Indrapora is lost y<sup>e</sup>: Dutch will goe on to destroy Pepper and undermine all our Settlem<sup>ts</sup>: on y<sup>e</sup>: west coast if not prevented by a farther Supply of Strenth or means used in Europe, they propound y<sup>t</sup>: 2 Sloops may be yearly sent thither one in March, & y<sup>e</sup>: other in Oct<sup>r</sup>: and both Return laden w<sup>th</sup>: pepper.

That plenty of Pepper is to be had at [P]riamong they desire 20 Tope[ss]es to bee sent them to serve in y<sup>e</sup>: room of B[u]ggesses.

That they have adjusted M<sup>r</sup>: Sowdons Acco<sup>t</sup>: in y<sup>e</sup>: Stateing whereof they found many errors more to his own prejudice y<sup>n</sup>: y<sup>e</sup>: Comp<sup>as</sup>: they send his account Stated & y<sup>e</sup>: ball is about 1400 Doll: & referr to yo<sup>r</sup>: Excell<sup>y</sup>: determination.

That Pangran Jangula y<sup>e</sup>: Chief Raga of Syllabar proves a true freind & upon y<sup>e</sup>: Settlemt<sup>t</sup>: of a Pagar there dos promise to ffrunish 300 Pator [Bahar?] of pepper yearly.

That y<sup>e</sup>: Cheife & Second doe allow themselves 40 Doll a month Cap<sup>t</sup>: pay upon y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>as</sup>: Generall order.

The Gen<sup>l</sup>: Lfe fro M<sup>r</sup>: Willson & y<sup>e</sup>: papers in his Packett doe Cheifly complaine against M<sup>r</sup>: Fleetwoods Gov<sup>tt</sup>: some whereof are mentioned in y<sup>e</sup>: Gen<sup>l</sup>: Books & others in y<sup>e</sup>: Consultation & y<sup>e</sup>: papers mention'd in M<sup>r</sup>: Willsons List.

The Chinamen complain y<sup>t</sup>: they have sold him goods & gold to a Considerable am<sup>t</sup>: for ready Dollers but he forced them to Stay a long time & at last paid them in Coast Cloth at so dear a rate y<sup>t</sup>: they lost about 25<sup>0</sup> C<sup>t</sup>: by them by w<sup>ch</sup>: means they are discouraged from settling.

That M<sup>r</sup>: Fleetwood had omitted Severall sums amo<sup>t</sup>: to about 7000 Dollers w<sup>ch</sup>: he ought to have charged in his acco<sup>t</sup>: Cash whereof 3000 Dollers is for y<sup>e</sup>: profit of y<sup>e</sup>: goods w<sup>ch</sup>: he rec<sup>d</sup>: from Cap<sup>t</sup>: [Howell] upon y<sup>e</sup>: bill of 6498 Dollers w<sup>ch</sup>: bill was drawne in September 1692 & his acco<sup>t</sup>: Cash is debted to acc<sup>tt</sup>: Currant ffort S<sup>t</sup>: George in Jan<sup>y</sup>: 1693 in all w<sup>ch</sup>: time he appears by his Cash to have lent so much money to y<sup>e</sup>: Comp<sup>as</sup>: the Remander is for dead mens estates 900 Doll<sup>r</sup>: goods Sold out of y<sup>e</sup>: Godowne 1153 Dollers Custome on Pepper Sold 1050 Doll<sup>r</sup>: & 215 Baker [Bahar?] of Pepper Sold out of y<sup>e</sup>: Comp<sup>as</sup>: Godown to Cap<sup>t</sup>: Howell for 2365 Dollers of all w<sup>ch</sup>: M<sup>r</sup>: Fleetwood had entered nothing till M<sup>r</sup>: Willson arrivall & hath Since charged y<sup>e</sup>: great part thereof except y<sup>e</sup>: 3000 Dollers profit on Howells goods whereof he still refuseth to make acco<sup>t</sup>: to y<sup>e</sup>: Comp<sup>as</sup>: It is also complained y<sup>t</sup>: M<sup>r</sup>: Fleetwood doth reserve to himself y<sup>e</sup>: overplus measure of y<sup>e</sup>: Comp<sup>as</sup>: pepper & Keeping y<sup>e</sup>: Godown in his own hands doth refuse to give an acco<sup>t</sup>: thereof y<sup>t</sup>: he maintains a familiarity w<sup>th</sup>: y<sup>e</sup>: Comp<sup>as</sup>: of their Buggesses their Malay Linguist and Sultan Indy who are all suspected by others and that he doth neglect y<sup>e</sup>: necessary reparations of the Garrison.

The Papers by w<sup>ch</sup>: these things doe appear are to many and to large to send your Excell<sup>y</sup>: their Coppeys but wee thought it not amiss to give you these short hints for your present consideration.

M<sup>r</sup>: Butterfield has brought w<sup>th</sup>: him y<sup>e</sup>: Journ<sup>n</sup> of York ffort Gen<sup>l</sup>: books ending in Aprill last but y<sup>e</sup>: Ledger & y<sup>e</sup>: adjustm<sup>t</sup>: of y<sup>e</sup>: acco<sup>t</sup>: Courrant remain to be done which he has promised to finish [as] soon as his health will permitt him being sickly and under a course of Phisick.

M<sup>r</sup>: Gibbons pretending indisposition has not yet delivered all y<sup>e</sup>: acco<sup>ts</sup>: & Papers w<sup>ch</sup>: he promised we Still want y<sup>e</sup>: narrati[v]es of y<sup>e</sup>: occasion & reasons of his leaveing Indrapore factory, Consultations & y<sup>e</sup>: acco<sup>t</sup>: of y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>as</sup>: remains in their Godowns &c<sup>a</sup>: but he hath deliverd us an acco<sup>t</sup>: of Cash by w<sup>ch</sup>: there is due to him for Ball: 23132 Doll<sup>r</sup>: & a pursers acco<sup>t</sup>: of charges by w<sup>ch</sup>: there is due to D<sup>o</sup>: Purser 1064 Dollers but he Sayes they have no Gen<sup>l</sup>: Books for want of assistance of paper &c<sup>a</sup>: concerning w<sup>ch</sup>: wee need say no more at present y<sup>t</sup>: to assure yo<sup>r</sup>: Excell<sup>y</sup>: y<sup>e</sup>: acco<sup>t</sup>: will be examined before the Ball: is paid.

Wee have paid our Merch<sup>t</sup>: 15000 Pa: upon y<sup>e</sup>: last contract & shall be forced to borrow money to discharge y<sup>e</sup>: Bills drawn on us from y<sup>e</sup>: West coast otherwise must put a stop to y<sup>e</sup>: Investm<sup>t</sup>:

Wee have now in our Godowns 59 bales of Fort S<sup>t</sup>: David Goods & hope by y<sup>e</sup>: latter end of Decemb<sup>r</sup>: to have [lacuna in the original] bales of our own ready by y<sup>e</sup>: advises from Fort S<sup>t</sup>: David wee conclude they will have as many or more ready there.

Wee rec<sup>d</sup>: from York Fort by y<sup>e</sup>: Maddapollam 38 Candy of Pepper and daly expect 40 more by y<sup>e</sup>: Satisfaction and this is all except Redwood that we can

depend upon here for y<sup>e</sup>: filling up of y<sup>e</sup>: Sampson in Decem<sup>r</sup>: but in the month of Jan<sup>r</sup>: Cloth will come in much faster.

If yo<sup>r</sup>: Excell<sup>y</sup>: does dispatch y<sup>e</sup>: Samuell directly from Bengall to York Fort [well] kentilag[ed] w<sup>th</sup>: Saltpetre and redwood it is probable there may be a sufficient quantity of Pepper to fill her up there being in y<sup>e</sup>: Godowns at M<sup>r</sup>: Butterfields comeing away [*Lacuna in the original*] Ba[h]ar of Pepper & a prospect of getting as much more as they can spare mony to buy.

After y<sup>e</sup>: Maddapollam was unladen, we sent her to Fort S<sup>t</sup>: David, & ordered her to be carryed into y<sup>e</sup>: River as well to secure her, from y<sup>e</sup>: Monsoon or to give her y<sup>e</sup>: repair necessary for another voyage & for y<sup>e</sup>: better dispatch have sent an English Carpenter w<sup>th</sup>: her, after w<sup>th</sup>: She will be fitt for a voyage either to y<sup>e</sup>: West coast or Rhetorah as yo<sup>r</sup>: Excell<sup>y</sup>: shall think fitt all y<sup>e</sup>: acco<sup>t</sup>: wee have of y<sup>e</sup>: Satisfaction is y<sup>t</sup>: she [is] very weak & out of repair y<sup>t</sup>: she was almost ready to Sail w<sup>n</sup>: y<sup>e</sup>: Maddapollam came away for this place & brings w<sup>th</sup>: her 40 Ba[hars] of Pepper & one Charles Ryley who is Sent hither for misde[mean-ors] w<sup>th</sup>: 10 of y<sup>e</sup>: Comp<sup>ss</sup>: Coffrees to Supply y<sup>e</sup>: place of Lascarrs; w<sup>n</sup>: she comes she will hardly be fitt for any farther Service wee have long expected but have not heard any farther Europe news from Gov<sup>r</sup>: Pitt, nor by any other meanes.

We have Sent a Duplicate of this L<sup>re</sup> one to Bengall & another to Vizagapatam.

The Yorke Fort Gen<sup>l</sup>: mentions nothing of Cap<sup>t</sup>: Decrow but y<sup>t</sup>: they were forced to [take] Capt. Howells Pepper to gett money to pay him for y<sup>e</sup>: slaves and M<sup>r</sup>: Butterfield [Sayes] y<sup>t</sup>: hee sailed from thence in January last for Europe not full laden, wee are.

 an acc<sup>ts</sup>: of w<sup>th</sup>: we have now remaining in our Godown w<sup>th</sup>: a list of w<sup>t</sup>: [wee]  
 think requisite for our use or prop<sup>r</sup>: for Sale: we [have] sold all y<sup>e</sup>: Lead, except  
 358 Candy y<sup>e</sup>: most p[ar]t at] or above 12 Pa:  $\Psi$  Candy but it is probable [the

 very Scarce [is very] dear and will always be a good Comoditi[e here] while y<sup>e</sup>:  
 Comp: continues in these parts.

By [y<sup>e</sup>: a]cco<sup>t</sup>: of York Fort & Indapore it does appear [y<sup>t</sup> y<sup>e</sup>] R<sup>t</sup>: Hon<sup>ble</sup>:  
 Comp<sup>a</sup>: Pay very Dear for provisions and stores bought there four or five times  
 more y<sup>n</sup>: their prime Cost w<sup>th</sup>: has been one reason of y<sup>e</sup>: encrease of their

On y<sup>e</sup>: 25<sup>th</sup>: past we rec<sup>d</sup>: yo<sup>r</sup>: Gen<sup>l</sup>: L<sup>re</sup> dated 9<sup>th</sup>: D<sup>o</sup>: by Ship Welfare w<sup>ch</sup>: gives us y<sup>e</sup>: Sad acc<sup>t</sup>: of our irrapareable loss of y<sup>e</sup>: Comissary Gen<sup>l</sup>: you therein advise us to have rec<sup>d</sup>: our overland Packett & to have returned y<sup>t</sup>: directed to y<sup>e</sup>: Comissary Gen<sup>l</sup>: but it did not come Inclos<sup>d</sup> in yo<sup>r</sup>: Packett & Cap<sup>t</sup>: Child doth deny to have rec<sup>d</sup>: any other Packett from you.

Yo<sup>r</sup>: L<sup>re</sup> gives us an acco<sup>ts</sup>: of y<sup>e</sup>: Interlopers kind reception by y<sup>e</sup>: Gov<sup>rt</sup>: & their Successfull progress in their business, Notw<sup>th</sup>: standing all y<sup>e</sup>: endeavours used by y<sup>e</sup>: Comissary Gen<sup>l</sup>: & yo<sup>r</sup>: selves to seize y<sup>e</sup>: Ship & men and Stop their trade, & now y<sup>e</sup>: ships Charles & Sampson being gone you have none left to oppose them by force till y<sup>e</sup>: Expected ships arrive from Europe, whereof wee

have good advise by private L<sup>res</sup> w<sup>ch</sup>: came by y<sup>e</sup>: Interlopers Ships y<sup>t</sup>: y<sup>e</sup>: Princess Ann, Royall James & Mary & Hawk, are designd directly for Bengall & y<sup>e</sup>: Armenian Merch<sup>t</sup>: for this place, & they will doubtless bring you p<sup>t</sup>icular orders from y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>a</sup>: concerning y<sup>e</sup>: Interlopers, in y<sup>e</sup>: meantime you have resolvd upon y<sup>e</sup>: only means y<sup>t</sup>: we can think of; Viz<sup>t</sup>: to piscash y<sup>e</sup>: Gov<sup>t</sup>: as you find occasion requires to obstruct their getting of goods to defeate & over [throw] a Voyage w<sup>ch</sup>: is Undertaken w<sup>th</sup>: a designe to ruin y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>a</sup>: trade, managed w<sup>th</sup>: Such methods as doe directly tend to it, We doubt not but they have used their utmost Endeavors in Bengall, to make not only y<sup>e</sup>: Country Govern<sup>t</sup>: but y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>a</sup>: Serv<sup>ts</sup>: believe y<sup>t</sup>: y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>a</sup>: is broak & dissolvd, as they have Endeavord to p<sup>er</sup>suade our people here by their L<sup>res</sup> to Sundry p<sup>er</sup>sons whom they thought of their p<sup>er</sup>ty, but y<sup>e</sup> L<sup>res</sup> are all come to our hands & we are fully Satisfied y<sup>t</sup>: their Storys are all false and forged, except it be in y<sup>t</sup>: point y<sup>t</sup>: y<sup>e</sup>: Interlopers Ships is come out, & wee can assure you from private letters written by those who doe well Understand those affairs & are concernd to acquaint their Correspondence w<sup>th</sup>: y<sup>e</sup>: truth, y<sup>t</sup>: y<sup>e</sup>: Comp<sup>a</sup>: stands as f[i]rm as befor y<sup>e</sup>: attempts of y<sup>e</sup>: adverse p<sup>er</sup>ty. 'Tis our great misfortune y<sup>t</sup>: none of y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>a</sup>: Ships are yet arrived w<sup>ch</sup>: hath given y<sup>e</sup>: Interlopers So much time for imposing their false stor[y]es upon credulous people but we hope before this comes to yo<sup>r</sup>: hands one or more of y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>a</sup>: Ships will be arrivd w<sup>th</sup>: you & then y<sup>e</sup>: mist will clear up of itself w<sup>th</sup>: any of them arrive fail not to send immediate advice hither & to Surrat & w<sup>n</sup>: any comes hither we shall hasten our advices to you, & y<sup>n</sup>: we are afraide it is in vain to expect any timely remidy from application to be made from hence to y<sup>e</sup>: Mogulls Court the only p<sup>er</sup>son whom we have So long depended on y<sup>e</sup>: Grand Visier Assid Caun remains in a very doubtfull State wether he will be in or out of [favour] & we have at present no other means of applying to y<sup>e</sup>: Mogull w<sup>th</sup>: any Success, all addresses & proceeding in y<sup>t</sup>: Court being so delatory unless quickned by a vast Expence.

Wee take notice y<sup>t</sup>: M<sup>r</sup>: Eyres in his L<sup>r</sup>e from Dacca mentions Sayllabut Caun to be y<sup>e</sup>: Obstrucor of y<sup>e</sup>: Passing of y<sup>e</sup>: Kings order for reverseing y<sup>e</sup>: Stopp on y<sup>e</sup>: European trade. Wee hope in a short time to understand y<sup>e</sup>: truth of y<sup>t</sup>: matter & if it be in our power shall apply a remidy.

We doe well approve yo<sup>r</sup>: presenteing y<sup>e</sup>: Nabob & Duan of Dacca & we cannot limit a Sum but must leave it to yo<sup>r</sup>: discretion according as you Shall find it necessary from y<sup>e</sup>: proceedings of y<sup>e</sup>: Interlopers & y<sup>t</sup>: will be a good time to represent to them y<sup>e</sup>: great troubles w<sup>ch</sup>: have arisen both to y<sup>e</sup>: Mogull Subjects & y<sup>e</sup>: English, by P<sup>er</sup>ratts Ships w<sup>ch</sup>: if tho they dont belong to y<sup>e</sup>: Comp<sup>a</sup>: assume to themselves the name of English & make a pretence of trade and thereby gain an Oppertunity to injure y<sup>e</sup>: Moguls Subjects & then y<sup>e</sup>: fault is la[i]d unreasonable upon the Comp<sup>a</sup>:

The Amo<sup>t</sup>: is Pag<sup>ds</sup>: 5-0-0.

The raretys you have sent us for present will be very usefull to us we sent you a Clock & Steel Cross bow by y<sup>e</sup>: Saphire nor is there any more procureable nor a new Map of y<sup>e</sup>: World.

We desire you not to forgett to send us yo<sup>r</sup>: promised answer concerning M<sup>r</sup>: Sowdon: Trrenchfeild & Watts acc<sup>ts</sup>: in order to y<sup>e</sup>: recovering of w<sup>th</sup>: is due from them & w<sup>th</sup>: ever we shall receive upon their acco<sup>ts</sup>: we shall give you due credit for & no more, in y<sup>e</sup> mean time you must keep their Debts to y<sup>t</sup>: own.

acco<sup>t</sup>: for we cannot admitt of them in our books, as to y<sup>e</sup>: Success frigatt & Madrass frigatt it requires Some time to resolve possitively concerning their Charges, if you have no farther answer to give to M<sup>r</sup>: Hayn's objection wee Shall put y<sup>t</sup>: matter to a desecion in the Court of Admiralty.

We shall send you a serjant by y<sup>e</sup>: first Oppertunity, yo<sup>r</sup>: reason for not sending M<sup>r</sup>: Bachy hither Seems to be good Viz<sup>t</sup>: it would be of no purpose to send him w<sup>th</sup>out his accusation w<sup>ch</sup>: cant be finished till after y<sup>e</sup>: dep[ar]ture of y<sup>e</sup>: ships, but you must take good care y<sup>t</sup>: he does not goe away; If y<sup>e</sup>: Interloper should receive any of y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>as</sup>: Serv<sup>ts</sup>: aboard their Ship for a passage to Europe you must protest against the Comd<sup>r</sup>: & Suparcargoe in behalfe of y<sup>e</sup>: Comp<sup>a</sup>: to the Amo<sup>t</sup>: of damages.

We doe not find one word in all y<sup>e</sup> L<sup>re</sup> we have rec<sup>d</sup>: from you concerning Ship Samuell we find you have laden y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>as</sup>: goods aboard her & have given y<sup>e</sup>: Comd<sup>r</sup>: sailing orders but we Expected to have had an Acco<sup>t</sup>: of y<sup>e</sup> Ships Survey y<sup>e</sup>: time & terms of her being taken into Charterparty Service w<sup>th</sup>: w<sup>t</sup>: had passd between Cap<sup>t</sup>: Freke & yo<sup>r</sup>:Selves upon y<sup>t</sup>: matter but you have left us all together in y<sup>e</sup>: dark.

We did also expect to have had y<sup>e</sup>: Com<sup>missary</sup> Gen<sup>l</sup>: papers sent to us w<sup>ch</sup>: related to y<sup>e</sup>: Comp<sup>a</sup>: affairs or at least coppys of them & we Still hope y<sup>t</sup>: they will be sent us by those y<sup>t</sup>: are entrusted w<sup>th</sup>: them or at least Such of them as are proper for our Cognisance till w<sup>n</sup>: We have nothing farther to add only y<sup>e</sup>: w<sup>t</sup>: ever orders y<sup>e</sup> Com : Gen<sup>l</sup>: saw cause to make be duly executed & p<sup>a</sup>ticularly as to w<sup>th</sup>:drawing of y<sup>e</sup>: uper ffactorys If y<sup>e</sup>: Dutch have really a design of Quarrelling w<sup>th</sup>: y<sup>e</sup>: Mogull in Bengall tis certainly yo<sup>r</sup>: sequest way to w<sup>th</sup>:draw them for doubtless thereupon hee will not only confirm his orders for y<sup>e</sup>: universall stop of y<sup>e</sup>: trade of Europeans but issue severe orders throughout his dominions against them y<sup>t</sup> [shall] be w<sup>th</sup>in the reach of his Governours.

Wee well approve of yo<sup>r</sup>: proposall of securing a necessary quantity of Saltpetre Viz<sup>t</sup> So much as will be Suffiscent for the kentilage of 5 or 6 Ships tho you are forced to pay Interest for the money. Wee are,

Wee well approve yo<sup>r</sup>: tranceaction w<sup>th</sup>: y<sup>e</sup>: Seer Lasscar, Particulearly set forth in yo<sup>r</sup>: Consultations & hope yo<sup>r</sup>: bisness will goe on well & qui[et]ly during his time, w<sup>ch</sup>: thô: it be uncertain yet y<sup>e</sup>: Present to him was necessary & His Gen<sup>l</sup>: cowle have been of good use, (thô you had given a little more for it) & seave you a great deal of trouble in frequent Application for Roccâ: But Since he would not grant it, you must be y<sup>e</sup>: more watchfull and make early applications to him in case any Interloper Should fall upon yo<sup>r</sup>: Coast.

The Renting of y<sup>e</sup>: town tho dere at Rupes 4862 it doubtlesse is security & advantag to the managment of bisness, & may tend to y<sup>e</sup>: Enlargeing & increseing of y<sup>e</sup>: Town, but it would have been much more Satisfactory if you had taken y<sup>e</sup>: Security of y<sup>e</sup>: Inhabitants for saveing y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>a</sup>: from losse, w<sup>ch</sup>: they did before, & Probably will be willing to doe it again it being as much for their Interest as y<sup>e</sup>: Comp<sup>as</sup>: w<sup>ch</sup>: you may Still Require of them. If M<sup>r</sup>: Holcombe hath bound to y<sup>e</sup>: R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>a</sup>: for y<sup>e</sup>: rent he thereby binds himselfe to y<sup>e</sup>: Town for three years & will g[i]ve an argum<sup>t</sup>: against his goeing to y<sup>e</sup>: West coast as long as y<sup>e</sup>: terme last. But wee Shall depend upon his proceeding thither So Soon as he can, but if his Indisposition doe Continue So as to hinder him this season, then lett M<sup>r</sup>: Charles Barwell take y<sup>e</sup>: first oppertunity for repareing hither & wee Shall upon advice Send another to fitt yo<sup>r</sup>: Councill & a writer & Shall Supply you w<sup>th</sup>: mony as Soon as we can possably being very Sencible of your want to discharge y<sup>e</sup>: money borrow'd at great Interest.

To [THE WORP<sup>LL</sup>] W<sup>x</sup>: HATSELL Esq<sup>r</sup>:  
DEP<sup>TY</sup>: GOV<sup>r</sup>: & C<sup>A</sup>: COUN<sup>LL</sup>: ATT FORT S<sup>t</sup>: DAVID.

Wee have had many different reports Concerning the designes of y<sup>e</sup>: Moors Army before Chingee the late [st] is y<sup>t</sup>: y<sup>e</sup>: Nabob is bound for Tanjore and will pass y<sup>e</sup>: upper way soe as not to come near Cuddalore but yesterday our Peons bring us word y<sup>t</sup>: the Camp was Marching towards Perriwikkee ffort to take it in their way, if so tis [prob]able the Army will pass by Pullicbery and [Cudd]alore therefore make all the preparation [you] can for y<sup>e</sup>: defence of Fort and town, and [secure a] sufficient quantity of provision w<sup>th</sup> in [y<sup>e</sup> fort].

It is well known that Seir Cawns sons d[os still] pretend a right to Tavenapatam Fort and [Cudda]lore and it is possible the Nabob may [make de]mand in favor of their cla[i]me if he passes w<sup>th</sup>: his Army Marches that way Send one of your Councell to the Nabob w<sup>th</sup>: a sutable ffrugall present and the Gov<sup>r</sup>: a letter of Compl<sup>et</sup>: but make noe Invitation nor receive any Vissit if you can avoid it, but if the Nabob shall send any one to you, [lett] not the p[e]rson come near or into your Fortt w<sup>th</sup>: a[n]y number of Armed men, Stand upon yo<sup>r</sup>: Gard and trust not to any deceitfull pretence of Civility.

If you Apprehend any danger of being assaulted by them, have a care of salling out [un]less necessity Req<sup>r</sup>: it, & then be sure [to] Secure a Safe retreat and make the best provision you [can] for y<sup>e</sup>: retreat of those persons you shall post at Cuddalore in case they Shall be forst to quit it.

Herew<sup>th</sup>: wee have written a p<sup>t</sup>icular L<sup>r</sup>e to y<sup>e</sup>: Dep<sup>ty</sup>: Gov<sup>r</sup>: Relateing to this affaie, and doe req<sup>r</sup> all P[e]rsons to Obey those orders as he shall find cause to execute them w<sup>th</sup>: we leave to him to Communicate to Such Persons as he Shall think fitt wee are,

To M<sup>r</sup> : WILL : HATSELL.

Our late Gen<sup>l</sup>: L<sup>r</sup>e order'd your Repair to fort S<sup>t</sup>: George but upon the Information wee have rec<sup>d</sup>: of the Moors Army Marching to Tandore and other private Intelligence of their designes upon Cuddalore wee thinke it necessary that you Continue there till y<sup>e</sup>: occasion is past.

Wee are advisd y<sup>t</sup>: Doct<sup>r</sup>: Blackwall hath Engaged himselfe in the Moors Service and that he comes w<sup>th</sup>: their Army in some Command, their designe is to take Pollicherry Cuddalore and Porto Novo as they goe along, and have promised the Command of Pullicherry and Porto Novo to Doct<sup>r</sup>: Blackwall. It is also contrivd y<sup>t</sup>: y<sup>e</sup>: Nabobs son Mahomed Arreif is to Visett you at Fort S<sup>t</sup>: David attended w<sup>th</sup>: a good Guard, [who] Expects to have a Guard drawn out before he comes [to] the ffortt for his Reception that thereby he may have an opportunity to Surprize you, this advice wee have from M<sup>r</sup>: Cuthbert partl[y] from his own knowledge when he was at Wauderwash and partly from Doct<sup>r</sup>: Blackwalls own L<sup>r</sup>es to himselfe and his wife, w<sup>ch</sup>: She has Shew'd to M<sup>r</sup>: Cuthbert therefore immediately Seiz upon her and her Papers, and if possible: Secure D<sup>r</sup>: Blackwalls l<sup>r</sup>es & Send us Coppies of w<sup>th</sup>: is Matteriall and if thereby you Shall find Occasion to mistrust any person either in or out of y<sup>e</sup>: Comp<sup>ss</sup>: service to have been concerned in or priv[y] to Doct<sup>r</sup>: Blackwalls designe secure their persons by close confinement: and Seiz their Papers.

Sydam Mahomod Mackee a broker [that has pass]d between Cuddalore and the Capt<sup>n</sup>: [was the per]son y<sup>t</sup>: has weedled D<sup>r</sup>: Blackwall into this designe and M<sup>r</sup>: Berluus Dubash who was w<sup>th</sup>: Cuthbert at Wandawash can give you a great [ins]ight into the whole matter, and y<sup>e</sup>: P[e]r[sons or servants] belonging to D<sup>r</sup>: Blackwall who must all be Secured at once and Examined.

You may p[e]rhaps expect wee should send you a Supply of Souldiers, but wee must Confes to you that wee do not know but the Nabobs Army may Come this way as well as to your place, he has been long suspected to have joined in Council [with] y<sup>e</sup>: Morrattas for w<sup>ch</sup>: reason it is Said Prince Cau[n] Bux is coming down w<sup>th</sup>: a fresh Army & privat<sup>e</sup> instructions to Seiz him, if So 'tis not improbable but he may joine openly w<sup>th</sup>: y<sup>e</sup>: Morattas for y<sup>e</sup>: Security of his person, for w<sup>ch</sup>: some of our [ Forts ] would be very convenient, & Madrass has been [spoken of] as a fit place for his Retreat.

Place Tappies upon the road.

If upon the approach of y<sup>e</sup>: Nabobs Army there Shall appear any danger the Dutch very probably will apply themselves to you for protection and wee See no Reason why you may not receive them into y<sup>e</sup>: ffortt but you cannot Spare men out of the Garrison to releafe their ffactory if they desire it.

If y<sup>e</sup>: ffortt come to be besieged maintain no more men w<sup>th</sup> in your Fort w<sup>th</sup>: provision [than] w<sup>t</sup>: are necessary and usefull.

Lett Mockdum Nino have a care of himselfe haveing been p<sup>t</sup>icularly threatnd to be Seizd.

After all tis possible the Nabob may not trouble you, wee hear to night that he is Secur'd by his own Army in Wandewash ffortt, however Preparation and caution will doe us no hurt. Wee are,

I have never heard from you Since you went from hence but once I hear from others y<sup>t</sup>: you have your health and remain in y<sup>e</sup>: Nabobs favor w<sup>ch</sup>: is a great Satisfaction to me you know w<sup>th</sup>: great dependance I have always had on your friendship you being y<sup>e</sup>: only p[e]rson entrusted as well by y<sup>e</sup>: late Gov<sup>r</sup>: as myselfe in y<sup>e</sup>: manageing of y<sup>t</sup>: great business of y<sup>e</sup>: Phirmaund w<sup>ch</sup>: you have

Long given us hopes of procuring & y<sup>e</sup>: promise of yo<sup>r</sup>: utmost Endeavors w<sup>ch</sup>: I shall still trust to I have made no application to any other person but your [M]aster nor have I employ'd any other but yourselfe to him & wait y<sup>e</sup>: good day for y<sup>e</sup>: joyfull receiving of y<sup>e</sup>: Phirmaund and for makeing good [my] faithfull promises to yo<sup>r</sup>: Selfe, I have now wri[tten] to Zulphackor Caun copy whereof goes here[with] for yo<sup>r</sup>: perusall I earnestly desire you to discourse him he is Engaged in great affairs and may possible forgett this if you dont Sometimes put him in remembrance. You perfectly understand y<sup>e</sup>: constant charge wee are at for maintaining of Souldiers Peons & Serv<sup>ts</sup>: besides y<sup>e</sup>: Extraordinary charge of Entertaining Strangers & protecting them w<sup>n</sup>: y<sup>e</sup>: Morrattas w<sup>th</sup>: their flying p<sup>ty</sup>s of horse make incursions into these parts to rob & pillage y<sup>e</sup>: Country at w<sup>ch</sup>: time they use to threaten us Severely because of y<sup>e</sup>: Mogulls Subjects harbouring here y<sup>t</sup>: they will ruin our factories lying in their parts w<sup>th</sup>: wee have exposed to the hazard of their fury rather then deliver into their mercyleless hands y<sup>e</sup>: Mogulls Servants has not y<sup>e</sup>: traf[d]e of this place Carried on by y<sup>e</sup>: Inhabitants for many years Supplied y<sup>e</sup>: Kings [Camp] w<sup>th</sup>: all Sorts of grain provisions & necessarys & can it be thought y<sup>t</sup>: Such a trade can goe on w<sup>th</sup>: out a considerable increase of publick Charge for manageing & orderly governing of y<sup>e</sup>: traders and building of Storehouses for preservation of Grain &c<sup>a</sup>: by all w<sup>ch</sup>: y<sup>e</sup>: Comp<sup>a</sup>: are at a great Expende Indeed were times now as formerly w<sup>n</sup>: y<sup>e</sup>: Country afforded a great trade the R<sup>t</sup>: Hon<sup>ble</sup>: Comp<sup>a</sup>: might better afford to Spend money. You know their trade lyes in y<sup>e</sup>: buying of Cloth the manufacture of y<sup>e</sup>: Country but these parts have been and are so harrassed w<sup>th</sup>: warrs y<sup>t</sup>: I assure you I cannot dureing these troublesome times lay out so much money in Cloth as I spend for our ordinary Charges but I doubt not but Zulphackor Cauns courage and conduct will in a short time Settle the Country free from Robbers. I hear y<sup>t</sup>: Maub Caun Mattecasse Jagger in y<sup>e</sup>: Pullmile Country is changed and given to another if so I hope you will take care y<sup>t</sup>: Yegmore and Persiawacca w<sup>ch</sup>: [were] formerly in y<sup>e</sup>: List of his Jagger be not given to any other because you know y<sup>t</sup>: by y<sup>e</sup>: Kings Husbalhoockam Assid Caun & Zulphackee Caun granted their Perwannas for those towns and Tandore w<sup>ch</sup>: allways deserve Honour.

The Junkaneers at Vipere doe give us daly trouble and for their own profit: [do] all Countr[ar]y to Sallabad and Stopp and disturbe the free passage of Provisions and goods; If they Stop y<sup>e</sup>: Provisions goeing to y<sup>e</sup>: Camp it will not be my fault. You being a true freind and understanding all these affairs can prevent such trouble. These being small things I have not troubled Zulphackor Caun w<sup>th</sup>: them depending on your freindship, I am,

May your Exc<sup>ts</sup>: virtue and Wisdome be[ever] attended w<sup>th</sup>: due reward & Honour yo<sup>r</sup>: Exc<sup>ts</sup>: is y<sup>e</sup>: [foun]tain from w<sup>ch</sup>: all men receive the favour of All[umgeer] as y<sup>e</sup>: English nation have allways found by [experience] they have placed their dependance on you & w<sup>th</sup>: all confidence hope to See the happy day of receiving y<sup>e</sup>: King's\* Phirmaund w<sup>ch</sup>: yo<sup>r</sup>: Exc<sup>ts</sup>: has been pleased to give me an assurance of as w[e]ll by yo<sup>r</sup>: own Lfe as by your Noble Son Zulphackor Caun w[hen he shall] have sub[d]ued y<sup>e</sup>: Robbers and Reduced this Country to a qu[ie]t flourishing State then Shall wee be able to carry on our business and Enlarge our trade cheerfully and prosperously from Cape Comereen to Bengall Supported by y<sup>e</sup>: Emperours power & yo<sup>r</sup>: Excell<sup>ts</sup>: favor In y<sup>e</sup>: meantime our trade languishes not daring to venture much money into y<sup>e</sup>: Country for fear of y<sup>e</sup>: Morrattas who have frequently robbed our Merch<sup>ts</sup>: and wee have little else to doe but to make provisions of Grain &[c<sup>a</sup>] for y<sup>e</sup>: Kings Camp & to take care of and Protect all y<sup>e</sup>: Kings Servants & Subjects who come hither for y<sup>t</sup>: purpose by w<sup>ch</sup>: means I am at Constant & great charges in all w<sup>ch</sup>: my study is to serve y<sup>e</sup>: King & doe humbly hope it will be So accept[ed] by him if yo<sup>r</sup>: Exc<sup>ts</sup>: will please to represent it to him.

Will yo<sup>r</sup>: Exc<sup>r</sup>: please to make me happy by receiveing his Majestys Phirmaund y<sup>t</sup>: y<sup>e</sup>: next Ship I send to Europe being freighted w<sup>th</sup>: y<sup>e</sup>: Effects of yo<sup>r</sup>: Generous goodness may prosperously pass y<sup>e</sup>: Seas & carry y<sup>e</sup>: glorious fame of yo<sup>r</sup>: great name into y<sup>e</sup>: remotest parts of y<sup>e</sup>: world where the Sun first rises out of darkness.

Yo<sup>r</sup>: Exc<sup>r</sup>: hath heard a report y<sup>t</sup>: of Late years Some Pyratte Ships hath come out of Europe into y<sup>e</sup>: seas of India & have Committed Robberys upon Ships belonging to y<sup>t</sup>: Mogulls Subjects w<sup>ch</sup>: because these Ships doe sometimes appear w<sup>th</sup>: English Colours & Sometimes have English men aboard them therefore y<sup>e</sup>: Mogull laid a blaim upon y<sup>e</sup>: English Company. Will your Excell<sup>y</sup>: give me leave to tell you y<sup>e</sup>: truth of this matter & to offer to you[r] consideration a remedy Many of y<sup>e</sup>: Kings and Princes of Europe whose Dominions border upon y<sup>e</sup>: Sea have many Ships belonging to them w<sup>th</sup>: w<sup>ch</sup>: their Subjects trade to all parts of y<sup>e</sup>: world among whom there are wicked men of Severall Nations who forsakeing their Country and human Society doe combine and apply themselves to live by Robbery upon y<sup>e</sup>: Seas where w<sup>th</sup>: ever ships they meet w<sup>th</sup>: are a prey unto them if they can overcome them tho they belong to their own Country and it is Generally their pollicy to have Severall nations in y<sup>e</sup>: Same Ship English Dutch French Spanish Portugues Danes and carry w<sup>th</sup>: them the Colours of severall nations w<sup>ch</sup>: they make use off as occasion requires to deceive the Ships they meet w<sup>th</sup>: there are many of these Ships Saling in y<sup>e</sup>: Seas of Europe & some of them have Stragled into y<sup>e</sup>: Seas of India & have taken both English & Dutch Ships [as well as ships] belonging to India for they make no distinction of nations [but] make war against mankind & like Savage [beasts live] by prey tho Sometimes they Subtily come into Ports and pretend to trade & are accordingly entertained & civilly used by y<sup>e</sup>: Gov<sup>r</sup>: of y<sup>e</sup>: Country but watch [their] Oppertuntys to doe mischief & rob y<sup>e</sup>: Mogulls [subjects] and if it happens y<sup>t</sup>: Such Ships doe make [use of Eng]lish Colours or if they be any English men [among] them y<sup>e</sup>: blame is lade upon y<sup>e</sup>: English Com[pany but very] unreasonably as your Exc<sup>r</sup>: will readily [think w<sup>th</sup>: it is] considered y<sup>t</sup>: y<sup>e</sup>: Princes of Europe doe not [only Stric]tly forbid all their Subjects from committ [ing such] robberys on pain of Death but doe require all men to kill them wherever they meet w<sup>th</sup>: them and by the common consent of all nations such men are treated as wild beasts and venomous Creatures w<sup>ch</sup>: are abhord by human nature: yo<sup>r</sup>: Excell<sup>y</sup>: perfectly understands y<sup>e</sup>: rules of reason by w<sup>ch</sup>: humain Society is govern'd and nations tho never so distan[t] and different are united in mutual friendship and Correspondence for y<sup>e</sup>: Common good of mankind [I need] not therefore tell yo<sup>r</sup>: Exc<sup>r</sup>: y<sup>t</sup>: by y<sup>e</sup>: Laws of Nations [if] any man shall comitt a robbery or any other villainous act not only w<sup>th</sup>: out the Authority but again[st] y<sup>e</sup>: Law of his Prince it shall not be imputed as a fault unto y<sup>t</sup>: Prince unto whom he was once a Subject but hath w<sup>th</sup>: drawn himselfe from his naturall Subjection for it is not in y<sup>e</sup>: power of any Prince to prevent it and he y<sup>t</sup>: was once his Subject is now become his Enimy. It is not [therefore] y<sup>e</sup>: fault of y<sup>e</sup>: Princes of Europe if a Piratt w<sup>th</sup>: a mixt number of Europe Nations Shall come into these parts of y<sup>e</sup>: world against y<sup>e</sup>: laws of their own Country and commit robberys upon Ships belonging to y<sup>e</sup>: Subjects of y<sup>e</sup>: Mogull but it is a misfortune that Such Ships have been entertaind rec<sup>d</sup>: & assisted by y<sup>e</sup>: Gov<sup>r</sup>: of y<sup>e</sup>: Country when they come into Ports under pretence of trade whereas otherwise they would not be able to Subsist always upon y<sup>e</sup>: Sea. Will your Excell<sup>y</sup>: therefore please to consider of a fitt expedient to prevent such mischiefs for the future and yet to maintain the antient friendship between y<sup>e</sup>: Mogulls and the Kings of Europe and y<sup>e</sup>: beneficiall commerce between their Subjects, that all y<sup>e</sup>: Mogulls officers and Subjects throughout his Empire be prohibited not to trade w<sup>th</sup>: or entertain any Ships in his Majestys ports w<sup>ch</sup>: doe not belong to the Europe Companies and w<sup>ch</sup>: are [nott] owned by their Chiefs or have [nott] their pass otherwise his Majestyes Ports may entertain Pyratte instead of Merch<sup>ts</sup>: [nothing more to add but remain] I am
